IV. New Business: Chief Procurement Officer Perry turned the floor over to Paul Krivacka, Lead Attorney/Director of Category Management, Central Procurement Office, to discuss the following New Business agenda items.

(1) Central Procurement Office Policy Number 2015-010, *Statewide Purchasing Card Policy and Procedures*

Mr. Krivacka explained that this document was an important cornerstone to the overall Purchasing Card program. Mr. Krivacka then summarized the following points with regard to Central Procurement Office Policy Number 2015-010, *Statewide Purchasing Card Policy and Procedures* (“Policy”):

- This document overhauls the State’s Purchasing Card (“P-Card”) program. Significant changes to the existing program were necessary for the Central Procurement Office to reach its goal of a 20% increase in P-Card spending.
- Approval of this policy is the first step in increasing the State’s P-Card use and realizing increased rebates associated with increased P-Card use.
- Card types
 - This policy expands the number of card types available to State procurement professionals—purchases may be made using a physical or virtual P-Card.
 - A physical P-Card is similar to a consumer credit card, and the single transaction limit for a physical P-Card is \$10,000.
 - A virtual P-Card involves a unique account number, embedded within Edison that is securely transmitted to a vendor upon Edison-based approval of a purchase transaction. It has all the protections that existing payment mechanisms have within Edison.
 - Virtual P-Cards can be used to make payments to any vendor that is registered with the State and whose payment method has been activated to “P-Card” in Edison. The transaction limit for virtual P-Cards will be set by the bank and will be much higher than the \$10,000 physical P-Card transaction limit.
 - State agencies can use virtual P-Cards to minimize the risk of improper purchases by requiring approvals within Edison before the purchase transaction is complete.
 - The \$10,000 single transaction limit for physical P-Cards does not apply to virtual P-Cards; hence State agencies can use virtual P-Cards to satisfy a broad range of their purchasing needs.
- This policy is a major improvement over the existing P-Card Manual.
 - This policy expands the scope of P-Card uses.
 - State agencies can use virtual P-Cards to make purchases from statewide contracts, agency term contracts, and with any vendor

- that has an existing procurement relationship with the State (e.g., small and informal purchases).
- This policy makes using the P-Card less bureaucratic and; therefore, makes it easier to use.
 - Card users reconcile transactions in Edison instead of manually reconciling transactions. More document management and approvals will be pushed down to the State agency level.
 - Cardholders have the flexibility to provide several different forms of documentation for their transactions.
 - This policy empowers State agencies to develop their own internal P-Card procedures.
 - The statewide policy establishes minimum requirements for State agency procedures but allows agencies to tailor their internal documents to their unique organizational needs. The new program will be much more decentralized.
 - The CPO is currently drafting model State agency procedures that can be used by State agencies; the CPO and the office of the Comptroller of the Treasury (“COT”) will review and approve each State agency’s policy.
 - The policy clearly defines P-Card roles in the organization that are ill-defined under the existing procedure (e.g. cardholders, users, coordinators, and administrators).

Mr. Krivacka asked if there were any comments or questions regarding Central Procurement Office Policy Number 2015-010, *Statewide Purchasing Card Policy and Procedures*.

Michelle Lane asked if the P-Card spend was captured in the total overall spend reported in the Governor’s Office of Diversity Business Enterprise (GoDBE) annual report. Chief Procurement Officer Perry responded that the total was included in the GoDBE annual report totals; however, diversity spend by P-Card had historically been low due to transaction limits and inability to use P-Cards for contract purchases. Mr. Perry and Mr. Krivacka indicated that P-Card spend was not reported separately in the GoDBE annual report but was included in the aggregate totals by diversity subcategory by agency.

Mr. Krivacka added that Section 14.2 of the proposed policy encouraged cardholders and users to utilize GoDBE certified vendors for P-Card purchases.

Mr. Perry noted that if the Central Procurement Office Policy Number 2015-010, *Statewide Purchasing Card Policy and Procedures* were to be approved for recommendation by the Advisory Council then it would go to the Procurement Commission on February 19 for approval. After approval by the Procurement Commission, Mr. Perry emphasized that the Policy would go into effect using a methodical, phased-in approach that would require significant pre-requisite training at the State agency level. A pilot approach using specific contracts, such as office

supplies, with specific departments would be used. Mr. Perry added that a great deal of testing had already been done to follow documentation through the Edison workflow to ensure that transactions could be processed properly and that the program would be rolled out in a strategic and thoughtful manner that would mitigate risk.

Mr. Mumpower stated that he had prepared three questions for the Council and that Mr. Perry had touched on or answered them already but that he would like to ask them for the record.

1. In the last performance audit of the Department of General Services there were two findings related to the P-Card program. Does this Policy take steps to address those findings and if so, how?

Mr. Krivacka acknowledged the performance audit findings and responded as follows:

- **Audit finding #1:** P-Card program staff did not ensure that State agencies submitted payment card documentation in accordance with P-Card policies and procedures.
- **Audit finding #2:** The Agency Coordinator for DGS's P-Card program did not properly document issuance of P-Cards to DGS employees. Thus, the Comptroller could not determine whether the issuance of DGS's P-Cards conformed to P-Card policies and procedures.

Mr. Krivacka stated that other audit findings relative to risk assessments have since been mooted by the fact that CPO now includes those two risk areas in CPO risk assessments department-wide.

- The two audit findings occurred under the previous P-Card Policies and Procedures Manual ("Manual"), a document that relied heavily on paper documentation. This new proposed policy is a radical departure from the Manual in that regard and will completely replace the previous Manual.
- Under this policy, Cardholders reconcile transactions in Edison, not manually as they did under the Manual. All State agencies will maintain documentation at the agency level pursuant to a set of procedures that will be approved by the CPO and COT.
- Cardholders (users of physical P-Cards) may provide receipts, invoices, and other types of documentation as evidence of their purchase transactions in either physical or electronic form.
- For virtual P-Card transactions, the approved requisition and purchase order serve as receipts and will be documented in the same way that any other electronic payment in Edison is documented.

Mr. Mumpower thanked Mr. Krivacka and stated that it sounded like the modernization of the Policy that would also incorporate the use of more modern technology would address the stated concerns.

Mr. Mumpower then asked a second question:

2. When will the policy become effective and what is the implementation schedule?

Mr. Krivacka responded that if the Advisory Council recommended the Policy, it would be presented to the Procurement Commission for approval on February 19 and since this Policy contained somewhat radical changes when compared to the previous Manual, a phased approach would be used for implementation. Taking into account a period of training, pilot programs, and testing, Mr. Krivacka estimated that the program would be implemented by May 2015. Mr. Krivacka stated that he anticipated having a model set of procedures for the State agencies to adopt that would be presented at the next Advisory Council meeting.

Chief Procurement Officer Perry also stated that Sheila Ewing-Agnew, Director of Systems Management for the Central Procurement Office, was heading up the P-Card program, coordinating necessary changes in Edison, assisting with development of the prerequisite training program, intricately involved with testing of the program, and has worked extensively with the state of Georgia to model the Tennessee program after their successful program. Mr. Perry continued that a LEAN event had been conducted recently to review the reconciliation process for the physical P-Cards to improve that process. Mr. Perry stated that the Department of General Services and the Department of Transportation would be the initial pilot agencies starting with the office supply contract and slowly adding other contracts as the process was debugged. Mr. Perry continued that some test orders with Staples had already been processed through the new system successfully. Mr. Perry reiterated that the new procedures would be implemented in a strategic and methodical manner and prerequisite training for all affected staff would be required as appropriate for their roles. Mr. Perry indicated that this Policy was the result of months of research, work, and testing and any future adjustments that might be needed would be brought before the Advisory Council and Procurement Commission for review and approval.

Mr. Mumpower thanked Mr. Krivacka and Mr. Perry for their comments and pending any further questions or comments made a motion to recommend the Central Procurement Office Policy Number 2015-010, *Statewide Purchasing Card Policy and Procedures* as presented to the Procurement Commission for approval. On behalf of the Department of Finance and Administration, Mr. Buddy Lea commended the Central Procurement Office on its work on the proposed policy and stated that it was not an easy task to accomplish. Mr. Lea indicated that the CPO had recognized the underutilization of the P-Card in years past as well as the cumbersome nature of performing reconciliations and he stated that the goal of addressing these issues and increasing P-Card spend and rebates was very admirable. Mr. Lea encouraged the CPO to track spend and develop a formal feedback mechanism such as an agency

user group to ensure that agency spend does actually increase and, if not, to follow-up to determine why not. Mr. Lea continued that State agencies must implement technical as well as behavioral changes in order for the new program to be successful.

Mr. Perry thanked Mr. Lea for his comments and stated that Sheila Ewing-Agnew and her staff had actively been working with State agencies to determine top P-Card users and as well as low P-Card users and would continue efforts to identify and address any problem issues. Mr. Perry indicated that a long-term goal was to collaborate with Higher Education to move toward a single P-Card provider for the University of Tennessee, Tennessee Board of Regents, and State government that could also be made available for use by local government. Mr. Perry stated that the resulting volume of combined spend and rebates would be of great benefit to all parties.

Seeing no other questions or comments, a second to Mr. Mumpower's motion was made by Mr. Lea to recommend the Central Procurement Office Policy Number 2015-010, *Statewide Purchasing Card Policy and Procedures* as presented to the Procurement Commission for approval. All members voted in favor – none opposed.

(2) Amendment to FA Template and Edison Configurator Terms and Conditions

Mr. Krivacka summarized the following points with regard to the Amendment to FA Template and Edison Configurator Terms and Conditions:

- The bond language in the FA Template and Edison configurator needed updating, and CPO's Risk Manager lead efforts to revise the optional bond terms.
- This request improves the existing bond payment bond language and adds a second bond type for procurement professionals to include in contracts—a performance bond.
- These new bond terms include instructional language that helps procurement professionals determine whether to include a bond requirement and which bond is appropriate.

Mr. Krivacka reviewed the following definitions for bond types:

Performance bond—used for construction projects and IT projects. If the Contractor cannot fully perform, the surety must pay the difference between the amount of the contract with Contractor and the amount required to hire someone who completes performance.

Payment bond—used only when statutorily required (for public works projects). This bond puts the surety on notice that if the Contractor defaults or goes bankrupt, the surety must pay the subcontractors, laborers, material men, etc.

Mr. Krivacka asked if there were any questions or comments regarding the Amendment to FA Template and Edison Configurator Terms and Conditions. Mr.

Perry stated that the new Risk Manager position in the Central Procurement Office had been created at the suggestion of Comptroller Wilson and thanked the Comptroller's Office for its assistance with getting the necessary approvals and support through the budget process to get the position created. Mr. Perry continued that the position had been filled a few months ago and had already been very beneficial to the CPO.

Mr. Krivacka added that the CPO Risk Manager had been working on changes to CPO insurance language and coverage amounts in conjunction with the Risk Manager at Treasury and he anticipated that a policy recommendation would be presented to the Council at its next meeting.

Mr. Perry then asked if there were any comments or questions regarding the Amendment to FA Template and Edison Configurator Terms and Conditions. Seeing none, a motion was made by Mr. Mumpower to recommend the proposed Amendment to FA Template and Edison Configurator Terms and Conditions as presented to the Procurement Commission for approval. The motion was seconded by Mr. Lea. All members voted in favor – none opposed.

Chief Procurement Officer Perry asked Mr. Krivacka if there were any other agenda items to be presented and Mr. Krivacka indicated there were none.

Mr. Mumpower noted that he was aware of the extensive amount of work done by the Policy Review Subcommittee prior to each Advisory Council meeting and expressed his appreciation for the people who serve on the Subcommittee. Mr. Perry agreed and stated that the Subcommittee members work many hours over many days reviewing and improving the documents that are presented to the Advisory Council. Mr. Perry also encouraged the new Advisory Council members to participate in the Subcommittee meetings as their schedules allowed.

- V. **Adjournment:** Seeing no other business, a motion for adjournment was made by Mr. Lea and seconded by Mr. Mumpower. All members voted in favor – none opposed.

- Transactions are typically posted in the Edison P-Card module within 24-72 hours after the purchase is made;

- The Cardholder will log into the Edison P-Card module [insert how frequently transaction review will occur in your Agency; minimum requirement is weekly] to review transactions and account coding and take necessary action to correct errors in the purchase details;
- The Cardholder and his or her State Agency Approver or Cardholder Supervisor confirms or disputes Transactions posted to the card account;
- The credit line is replenished for the amount of the Transactions;

The P-Card is a mechanism for making purchases. Existing State laws governing procurement, accounts payable, records retention, and other applicable laws must still be followed. All procurement rules of the CPO apply when using the P-Card.

7.3. Credits.

If a Cardholder returns merchandise, a credit should be issued to the Cardholder's P-Card and a credit receipt obtained. Under no circumstances should a Cardholder receive cash or a credit voucher. The Cardholder or State Agency Approver or Cardholder Supervisor is responsible for reviewing *CitiManager*® to ensure that credits are received and, if not, file the appropriate paperwork for disputed items. Cardholders should avoid Vendors with restrictive merchandise return policies.

7.4. Disputing Transactions.

If there is a problem with a Transaction, the Cardholder must first attempt to reach a resolution directly with the Vendor. In most cases, disputes can be resolved between the Cardholder and the Vendor. The Vendor will usually issue a credit.

The Cardholder should document all attempts to resolve a problematic Transaction. If the disputed Transaction involves a reservation or order that has been cancelled, the Cardholder is responsible for obtaining a cancellation number. If efforts to resolve the problem with the Vendor are unsuccessful or if a credit does not appear in *CitiManager*®, the Cardholder should file the appropriate dispute paperwork with the Bank and contact State Agency Name's P-Card Program Coordinator.

If a Citibank Statement contains a Transaction that needs to be disputed, the Cardholder should contact Citibank Customer Service at 1-800-248-4553, Option #0 to initiate the dispute process, and contact **State Agency Name**'s P-Card Program Coordinator to ensure the disputed transaction has been documented. If the dispute cannot be resolved between the Cardholder and the Bank, the Cardholder shall immediately notify the **State Agency Name**'s P-Card Program Coordinator and [describe your Agency's process for disputing a transaction under these circumstances].

7.5. Declined Purchase Transactions.

On occasion, a Cardholder's purchase transaction may be declined. Cardholders should contact Citibank Customer Service at 1-800-248-4553, option #0 to determine the reason for the decline before contacting **State Agency Name**'s P-Card Program Coordinator for assistance.

7.6. Lost or Stolen P-Cards.

If a P-Card is lost, stolen, or the card information has been compromised, the Cardholder must immediately contact **Citibank Customer Service at 1-800-248-4553**. Citibank will request the following information:

- Cardholder's name
- P-Card account number
- Last four digits of the Cardholder's SSN
- Circumstances surrounding loss or theft of the card
- Any purchase(s) made prior to the card being lost or stolen

Upon notifying Citibank of a lost, stolen, or compromised P-Card, outstanding authorizations will be confirmed and further use of the P-Card will be blocked by Citibank. Neither the State nor the Cardholder will be responsible for fraudulent charges made to a promptly reported lost or stolen card.

7.7. Cardholder Transfer or Separation from Employment.

If a Cardholder's separation from employment or transfer to another State position is planned, P-Card use shall be discontinued prior to Cardholder's separation from employment or transfer to allow sufficient time for submission of receipts and processing of outstanding charges before the Cardholder leaves or transfers. In the event of unplanned separation from employment, the Cardholder's P-Card shall immediately be deactivated and the Cardholder shall discontinue P-Card use upon separation from employment.

8. Internal Controls.

A strong system of internal controls is essential for detection and deterrence of fraud, misuse, or abuse of the P-Card. Internal controls include policies, procedures, training, spending limits, Merchant Category Code restrictions, prompt reconciliation, and prompt account distribution.

Your State Agency must establish an internal control structure that ensures compliance with the State's procurement laws, CPO rules, policies and procedures, the Statewide Policy, and the terms and conditions of P-Card established by the Bank. In the event that your Agency's P-Card Coordinator is also a Cardholder, the internal control structure shall include independent review of the Coordinator's P-Card Account activity at least monthly. The State Agency employee who serves as the Agency's chief financial officer is responsible for developing and reviewing the State Agency Procedures and ensuring that sound accounting practices and internal controls are in place and enforced.

8.1. Annual Review of *State Agency Name's* P-Card Program.

The Statewide Policy requires each State Agency to have an independent review of the Agency's P-Card program each year. Describe how this annual, internal, independent review will occur in your Agency, including who will perform the review (State Agency's P-Card Coordinator, State Agency's internal audit unit, or other business unit assigned State Agency audit responsibilities) and what the review will consist of. At minimum, the review shall evaluate the adequacy of the State Agency P-Card program's: (a) State Agency Procedures; (b) Cardholder spending limits; (c) monthly reconciliation procedures; and (d) documentation for Transactions. Include results of the review in your Agency's annual risk assessment.

8.2. Cardholder Spending Limits and P-Card Use.

The *State Agency Name* employee who serves as the Agency's chief financial officer may establish a Single Transaction Limit (STL) of up to the ten thousand dollar (\$10,000) maximum for Cardholders as he or she determines appropriate taking into account the State Agency's overall needs. *State Agency Name's* P-Card Program Coordinator will review Cardholder spending limits [*insert frequency of review; minimum is annually*] to determine if actual usage is consistent with spending limits. Cardholders are prohibited from splitting a single purchase between one or more P-Cards or between a Card transaction and a purchase order to circumvent the STL or CPO rules, policies or procedures.

8.3. Dormant Cards.

When a P-Card has not been used for *length of time*, it will be considered inactive. Describe how your Agency will respond when a P-Card is deemed inactive. *The CPO recommends reducing the Cycle Limit of any P-Card that has not been used within twelve (12) complete cycles to one dollar (\$1).* When a P-Card has not been used for *length of time*, *State Agency Name's* P-Card Program Coordinator will conduct a review to determine if the Cardholder still needs a P-Card. *Add further details about the review of dormant cards as needed.*

9. Documentation, Reconciliation, and Accounting.

9.1. Documentation

Describe your Agency's procedures for documentation of Transactions. At minimum, your procedures shall require Cardholders to provide invoices or receipts (either electronic or hard copy format) for all Transactions. Invoices or receipts shall include: (a) the Vendor's name, location, and contact information; (b) line item details, including quantity, description, unit price, and total price; and (c) a line showing the State was not charged for sales tax. If your Agency decides to use logs as a form of documentation, specify procedures for maintaining logs. Include procedures for lost receipts and describe any consequences if a Cardholder loses receipts more than three (3) times during a fiscal year. Consult section 10.2 of the Statewide Policy for further guidance receipts.

9.2. Reconciliation.

Reconciliation of Transactions is performed in Edison. Note that reconciliation cannot be performed manually unless your Agency has obtained approval from the CPO. Cardholders will reconcile Transactions [insert frequency; minimum requirements under the Statewide Policy: weekly]. Add further, non-conflicting information about reconciliation to reflect your Agency's needs.

9.3. Allocation to the General Ledger.

Describe your Agency's procedures for allocation of charges to the general ledger. The procedures must ensure: (a) compliance with State accounting and budgetary policies; and (b) all Transactions are allocated to the general ledger before the end of the billing cycle.

10. Prohibited Purchases and Transactions.

10.1. Prohibited Purchases.

Cardholders are prohibited from using a physical P-Card for the following types of purchases, payments, or transactions:

- Goods or services not directly related to job responsibilities or other official State of Tennessee business, i.e., personal purchases;
- Cash withdrawals, including ATM or debit withdrawals;
- Travel expenses;
- Telephone billings;
- Political publications of any sort;
- Utility billings and connection fees;
- Rental of passenger vehicles of any kind;

- Artifacts for historical or commemorative purposes (except for the State Museum);
- An employee's moving expenses;
- Purchases of any motor vehicle fuel for any vehicle or equipment leased from the Department of General Services' Division of Motor Vehicle Management ("MVM");
- Back orders or partial shipments—goods or services must be in stock or otherwise available at the time of purchase;
- Purchases made using a P-Card or other account by someone other than the Cardholder or account holder;
- Service awards for state employees;
- Awards for private citizens;
- Honoraria expenses;
- Insurance policies;
- Gift cards or gift certificates; and
- Any goods or services related to political activity as defined under "The Little Hatch Act," Tenn. Code Ann. §§ 2-19-201 through 208.

As provided above, Cardholders are prohibited from using a P-Card for the purchase of any goods or services not directly related to job responsibilities or other official State business. Intentional use of a P-Card for any purposes other than State business will result in disciplinary action, up to and including termination from State employment or criminal prosecution.

10.2. Split Purchases Prohibited.

Tenn. Code Ann. § 12-3-503(b) and CPO Policy Number 2013-003 authorize State Agencies to make a purchase without soliciting quotes or proposals from multiple vendors when the total value of the purchase is ten thousand dollars (\$10,000) or less. Cardholders are prohibited by Tenn. Code Ann. § 12-3-503(b)(2) from splitting a transaction between two or more transactions on a single account, two or more transactions on multiple accounts, or two or more transactions using the P-Card and a purchase order, in order to circumvent the STL imposed on the P-Card. **The STL for P-Card purchases using a physical P-Card is ten thousand dollars (\$10,000) unless your State Agency designates a lower STL in its State Agency Procedures.**

10.3. Payment of Sales and Use Tax.

Under Tenn. Code Ann. § 67-6-329(a), purchases made in Tennessee and for the use and benefit of the State of Tennessee are exempt from Tennessee sales tax. Cardholders should obtain an exemption certificate from the Department of Revenue website and present it to each Vendor. Purchases made in other states may be subject to that state's sales tax. The Cardholder must be diligent when dealing with the Vendor regarding taxes.

- If the Vendor cannot deduct the sales tax because of pre-set controls within its computer systems or will not honor the exemption, the Cardholder may continue with the purchase but must note the refusal on the receipt or invoice.
- In the event a Cardholder is inappropriately charged for sales tax, he or she shall seek a credit refund of any sales taxes to the P-Card account. Vendors may only credit the State's P-Card Account and may not refund erroneously paid taxes through other means, including cash, gift cards, or store credit.
- The Cardholder is required to maintain documentation of his or her attempts to obtain credit for any Tennessee Sales and Use Tax charged to the P-Card Account in error. **Add further, non-conflicting information about documentation of attempts to obtain credit as needed.**

11. Purchases Reserved for the Designated **State Agency Name Central Fiscal Office Cardholder**

Only the person designated by **State Agency Name's [title of Agency employee who serves as the Agency's chief financial officer]** may use his or her individual P-Card for the following purchases:

- Tuition, fees, and supplies for training individuals;
- Internet, newspaper, radio, or television advertisements;
- Subscriptions to newspapers, periodicals, newsletters, or pamphlets;
- Organization membership dues;
- Charges for meeting rooms and attendant expenses in excess of two hundred dollars (\$200) per day or for more than five (5) days;
- Convention or registration fees; and
- Association entry fees.

12. Surcharges and Convenience Fees.

Many vendors charge a "credit card processing fee" or "convenience fee" for accepting credit cards including the P-Card. These types of fees are strictly regulated by Visa and MasterCard.

According to Visa's "Card Acceptance and Chargeback Management Guidelines for Merchants" available on Visa's website, credit card surcharges are allowed but cannot be more than the amount the vendor's bank charges them for processing the transaction. Also, the vendor cannot charge both a surcharge and a convenience fee, explained below.

The maximum allowable Visa-mandated surcharge is four percent (4%) and must be shown as a line item on the detailed invoice or receipt. Whenever a Vendor charges a surcharge, the following rules apply:

- The Vendor must have provided Visa and its bank at least thirty (30) days notification of their intent to impose surcharges;
- The fact that the Vendor imposes surcharges must be clearly posted on the door and at point-of-sale for physical locations and on web sites when sales are made via the internet; and
- The Vendor must inform the Cardholder or User:
 - Of the exact percent of the surcharge;
 - That the Vendor is the entity assessing the surcharge;

- That surcharges are applicable on credit transactions only; and
- That the surcharge is not greater than what the vendor pays to Visa.

For any Transaction where the Vendor has charged a surcharge, a Cardholder or User must obtain a copy of the acknowledgement letter sent to the Vendor by Visa authorizing the Vendor to impose a surcharge. A copy on file with the **State Agency Name**'s P-Card Program Coordinator will be sufficient.

A P-Card is similar to a consumer credit card, but the card-using organization must pay the card issuer in full each month. In this Policy, the term “Purchasing Card” or “P-Card” shall also include “Virtual Purchasing Cards” or “Virtual P-Cards” as the context requires.

“Purchasing Card Profile” means the unique profile associated with a Cardholder that contains monetary or MCC limits on the Cardholder’s ability to make purchases on behalf of the State.

3. TYPES OF ACCOUNTS.

This Policy recognizes two general account types: P-Card Accounts and Virtual P-Card accounts. P-Card Accounts and Virtual P-Card accounts can be used only for official State business as set forth in this Policy. P-Cards must be surrendered or Virtual P-Card accounts closed upon the Cardholder’s transfer to another State Agency, separation from state employment, or upon demand by the Cardholder Supervisor, the State Agency P-Card Program Coordinator or the Statewide P-Card Program Administrator.

3.1. P-Card Accounts.

P-Card accounts are those that involve the issuance of a P-Card Account to an individual Cardholder to further the official business of the State. Cardholders are limited to one active physical P-Card.

3.2. Virtual P-Cards.

Virtual P-Cards are cardless accounts that allow State Agencies to pay for approved, Edison purchase order transactions initiated by Virtual P-Card Users. The account number is “embedded” in the Edison P-Card module and is securely transmitted to the vendor upon Edison-based approval of a User’s purchase order transactions. A Virtual P-Card may be used for payments to any vendor that is registered in the State’s vendor registration system whose payment method has been activated to “P-Card” in Edison. Virtual P-Card accounts allow for greater ease of use (multiple buyers can leverage the same payment device), as well as enhanced control through absence of a physical card and spending limits. The State Agency P-Card Coordinator should contact the Statewide P-Card Program Administrator for more information on Virtual P-Cards.

The ten thousand dollar (\$10,000) STL that applies to physical P-Cards does not apply to Virtual P-Cards; there is no STL for purchases made with a Virtual P-Card. The Bank

determines the Cycle Limit for Virtual P-Cards. Each State Agency is limited to one (1) Virtual P-Card Account.

3.2.1. Records Retention Requirements.

The Office of the Secretary of State oversees Tennessee's Records Management Division, the State Agency that provides guidance on disposition, retention, and destruction of state records. Records Disposition Authority (RDA) SW23 applies to all P-Card documents. RDA SW23 requires that State Agencies maintain documents related to P-Card issuance and use for five (5) years and destroy them at the end of the five-year period. P-Card documents may be maintained in either paper or electronic format, so long as the electronic content has been verified for completeness, accuracy, and usability. RDA SW23 is available in its entirety at <http://www.tnsos.net/rmd/rda/index.php>.

3.2.2. Internal Revenue Service 1099 Reporting.

In 2011, the Internal Revenue Service announced changes to the Internal Revenue Code, Section 6050W, which shifted the burden of payment reporting requirements from the purchaser to the vendor's bank when the P-Card is the payment method for a reportable transaction. Because of the shift in responsibility, participants in the Program are no longer required to report total P-Card transactions in excess of six hundred dollars (\$600) with certain vendors. Reporting for all other payment methods, including checks, Automated Clearing House, or other means, will remain the responsibility of the State Agency making payment. Cardholders should consult the tax specialists at their State Agency for further information or details regarding Internal Revenue Service 1099 reporting requirements.

4. OVERVIEW OF P-CARD PROGRAM ROLES AND RESPONSIBILITIES.

The CPO is the State Agency that is primarily responsible for managing, overseeing, and coordinating the P-Card Program. The Statewide P-Card Program Administrator is the employee within the CPO who has the direct, day-to-day responsibility for managing, overseeing, and coordinating the P-Card Program between the CPO and State Agencies. The State Agency P-Card Coordinator is the employee within each State Agency who has been appointed to supervise Cardholders and manage and coordinate the P-Card Program within his or her State Agency in compliance with this Policy. The Cardholder Supervisor is the State Agency employee with supervisory authority over the Cardholder who ensures that transactions are properly reconciled and reported to the Department of Finance and Administration ("F&A"), Division of Accounts. State Agency Reconcilers are the employees within a State Agency who are responsible for reconciling P-Card transactions. The State Agency Approver is the employee within the State Agency who approves P-Card Transactions. The Cardholder is the specially-trained employee within a State Agency responsible for purchasing goods or services on behalf of the State of Tennessee using a physical P-Card. In the interests of segregating duties and responsibilities, State Agency Reconcilers shall not be Cardholders.

5. P-CARD PROGRAM ROLES AND RESPONSIBILITIES.

5.1. P-Card Processing Cycle Overview.

The typical cycle for P-Card usage is:

- An individual Cardholder, with State Agency approved spending limits, initiates a purchase using a P-Card;
- The individual Cardholder retains an original, legible copy of the purchase's receipt for use in reconciliation (see Section 10.2 for more information on receipts);
- Transactions are typically posted in the Edison P-Card module within 24-72 hours after the purchase is made;
- The Cardholder will log into the Edison P-Card module on a weekly basis to review transactions and account coding and take necessary action to correct errors in the purchase details;
- The Cardholder and his or her State Agency Approver confirms or disputes Transactions posted to the card account;
- The credit line is replenished for the amount of the Transactions;
- The Cardholder will receive a hard-copy Bank statement monthly;
- The hard-copy Bank statement and original receipts will be sent to the State Agency Reconciler for final reconciliation;
- The State Agency Reconciler will reconcile all Transactions in accordance with the State Agency P-Card Policy; and
- The State Agency Reconciler prepares all documentation for retention.

5.2. Statewide P-Card Program Administrator.

The Statewide P-Card Program Administrator serves as the primary point-of-contact in the CPO for the P-Card Program. The Statewide P-Card Program Administrator's role, duties and responsibilities include:

- Establishing written internal procedures to ensure compliance with state procurement statutes, rules, policies and procedures, including this Policy, and reviewing each State Agency's internal P-Card policy;
- Developing written internal procedures for requesting exceptions to either state or internal policy requirements;
- Ensuring that State Agency Transactions are audited at least annually;
- Developing State Agency specific training for all Cardholders, State Agency Approvers, State Agency Reconcilers, and State Agency Supervisors;
- Developing appropriate refresher training to be delivered at least annually; and
- Notifying State Agency P-Card Program Coordinators of changes in state rules, policies or procedures.

5.3. State Agency P-Card Program Coordinator.

The State Agency P-Card Program Coordinator serves as the main point-of-contact between the State Agency and the Statewide P-Card Program Administration Team.

The State Agency must provide the Statewide P-Card Program Administrator written notice within one (1) business day of any changes in status of the State Agency P-Card Program Coordinator.

The State Agency P-Card Program Coordinator's role, duties, and responsibilities include:

- Collaborating with the Agency's Fiscal Director to develop and maintain the State Agency's internal P-Card policy to address policy areas unique to the State Agency or that are not covered by this Policy;
- Working with State Agency management to identify job titles, positions, or Edison roles that require use of a P-Card or Virtual P-Card;
- Working with State Agency management to determine appropriate Cardholder spending limits based on budget restrictions, job requirements, historical spending patterns, and overall procurement practices;
- Evaluating Cardholder spending limits against actual usage at least annually;
- Terminating ~~P-Card~~ Cardholder's status if necessary (e.g., due to separation from employment, transfer to another State Agency, low P-Card usage) and cancelling a P-Card;
- Ensuring Agency-wide reconciliation procedures provide for timely payment and for allocation of Transactions to the general ledger at least monthly; and
- Ensuring that Transactions are reconciled and supported by adequate documentation, including use of Edison or CitiManager®, as appropriate.

5.4. Cardholder Supervisors.

The Cardholder Supervisor responsible for supervising Cardholders must have a thorough knowledge of the Cardholders' job responsibilities in order to determine if purchases are job-related or otherwise authorized by CPO rules, policies or procedures. The Cardholder Supervisor's role, duties, and responsibilities include:

- Before approving the P-Card transactions, either by signing a transaction log or statement or signing off on transactions electronically, carefully reviewing all documentation to ensure that all documentation meets the minimum requirements as set forth in this Policy;
- Approving, rejecting, or disputing all Transactions within the scheduled timeframe;
- Ensuring that all documentation is submitted according to the State Agency's internal procedures and this Policy;
- Maintaining knowledge of State Agency internal procedures and policies and this Policy; and
- Requesting reasonable spending limits in accordance with State Agency internal procedures and policies and this Policy.

5.5. State Agency Reconciler.

The State Agency Reconciler is the State Agency employee responsible for all the functions associated with post-purchase processing of P-Card Transactions including account allocation and providing a business purpose when required. A Reconciler CANNOT make purchases using the P-Card belonging to a Cardholder for whom he or she reconciles.

5.6. State Agency Approver.

The State Agency Approver is the State Agency employee who approves purchases made by the Cardholder to which he or she is assigned. This role may also be performed by the Cardholder Supervisor. By approving each P-Card transaction, the Approver exercises critical control by ensuring authorized and appropriate P-Card use and correct allocation of expenses in accordance with related policies of F&A, Division of Accounts. State Agency Approvers should also review receipts where appropriate to ensure compliance with this Policy and F&A, Division of Accounts policies. No Cardholder may approve his or her own P-Card transactions nor may he or she direct someone else to approve P-Card transactions in a manner that could violate this Policy or applicable policies of F&A, Division of Accounts. As a general rule, the State Agency Approver should not report to the Cardholder whose transactions he or she is reviewing. A State Agency Approver has the following responsibilities:

- Review Cardholder transactions to ensure that purchases made were:
 - For the use and benefit of the State of Tennessee;
 - Necessary for the official duties of the agency;
 - Made in accordance with CPO policies and procedures;
 - For goods or services actually received.
- If a State Agency Approver is in doubt about any of the above, the State Agency Approver should immediately question the Cardholder and seek advice from the State Agency P-Card Program Coordinator or the Statewide P-Card Program Administrator.
- Immediately inform the State Agency P-Card Program Coordinator of any misuse, abuse or fraudulent use of a P-Card.
- If the Cardholder is unavailable for questioning, the State Agency P-Card Program Coordinator or the Statewide P-Card Program Administration Team may adjust the Cardholder's STL to one dollar (\$1.00). The State Agency Approver shall notify the State Agency P-Card Program Coordinator of Cardholder transfers or terminations. Advanced notice is required if the State Agency Approver is aware of impending personnel actions.
- Review, certify, and forward Cardholder transaction log pages, receipts or cycle statements in accordance with this Policy.

5.7. Cardholders.

An important participant in the P-Card Program is the Cardholder. The Cardholder is a key element in making the P-Card Program successful.

5.7.1. Cardholder Responsibilities.

The State is responsible for payment to Citibank. Therefore, P-Cards are issued to the State and assigned on its behalf to specific Cardholders. No credit checks will be performed on individual employees nor will account activity be reported to credit rating agencies. Cardholders have the following duties and responsibilities as a condition for being issued a P-Card:

- Reading and becoming familiar with this Policy;
- Attending and passing Cardholder / Approver training course;
- Signing Cardholder / Approver agreement;
- Being responsible for all purchases made on the P-Card; and

- Adhering to this Policy and other applicable rules, policies, and procedures.

5.7.2 Cardholder Misuse.

Each Cardholder is responsible for the purchases made on the P-Card that is assigned to them. Cardholders are required to adhere to applicable CPO rules, policies, procedures, and this Policy.

Use of a P-Card is a privilege based on trust. A Cardholder is trained and understands the penalties for abuse of the P-Card. The P-Card is for official State business use only and the purchase of personal or disallowable goods or services is strictly prohibited. Misuse of the P-Card may result in disciplinary action up to and including termination of employment and prosecution to the extent permitted by law. Cardholders will be required to reimburse the State, including sales tax, for any improper purchases.

5.8. Virtual P-Card Users.

Virtual P-Card Users are critical to the P-Card Program's success. A User has authority to make purchases utilizing his or her Agency's local purchase authority and to make purchases from a Statewide Contract or Agency Term Contract for official State business. State Agency employees with an e-procurement or buyer role in Edison are eligible to be Users. Users must complete training on reconciliation procedures before initiating any Transactions with a Virtual P-Card.

6. P-CARD SECURITY.

The security of each P-Card is the Cardholder's responsibility. Every precaution should be used to protect the account number. The account number should never be left in a conspicuous place.

Use of the P-Card is restricted to the authorized Cardholder whose name appears on the face of the card and may not be loaned to any other person. The account number that appears on the P-Card must not be given to any individual other than the vendor from whom the Cardholder is making a purchase.

6.1. Lost or Stolen Cards.

If a P-Card is lost, stolen, or the card information has been compromised, the Cardholder must immediately contact **Citibank Customer Service at 1-800-248-4553**. Upon such notification, outstanding authorizations will be confirmed and further use of the P-Card will be blocked by Citibank. Neither the State nor the Cardholder will be responsible for fraudulent charges made to a promptly reported lost or stolen card.

At the time of the notification, Citibank will request the following information:

- Cardholder's name
- Account number
- Last four digits of SSN
- Circumstances surrounding the loss of the card
- Any purchase(s) made prior to the card being lost or stolen

The Cardholder must notify his or her State Agency P-Card Program Coordinator of the P-Card's loss or theft and make arrangements to receive a new P-Card. Citibank will then issue a new card with a new account number which will be delivered to the State Agency P-Card Program Coordinator.

6.2. Separation from Employment.

If a Cardholder's separation from employment or transfer to another State position is planned, P-Card use shall be discontinued prior to Cardholder's separation from employment or transfer to allow sufficient time for submission of receipts and processing of outstanding charges before the Cardholder leaves or transfers. In the event of unplanned separation from employment, the Cardholder's P-Card shall immediately be deactivated and the Cardholder shall discontinue P-Card use upon separation from employment.

6.3. Purchasing Rules.

The P-Card is only a vehicle for making purchases. Existing State laws governing procurement, accounts payable, records retention, and other applicable laws must still be followed. All procurement rules of the CPO apply when using the P-Card.

6.4. Tax Exemption.

Purchases made in Tennessee and for the use and benefit of the State of Tennessee are exempt from Tennessee sales tax. Cardholders should obtain an exemption certificate and present it to each vendor. This form is available on the Department of Revenue web site at <http://www.tn.gov/revenue/forms/sales/index.shtml> in the "Exemption Applications/Certificates" section. Purchases made in other states may be subject to that state's sales tax. The Cardholder must be diligent when dealing with the vendor regarding taxes. If the vendor cannot deduct the sales tax because of pre-set controls within its computer systems or will not honor the exemption, the Cardholder may continue with the purchase but must note the refusal on the receipt. In the event a Cardholder is inappropriately charged for sales tax, he or she shall seek a credit refund of any sales taxes to the P-Card account.

6.5. Credits.

If a Cardholder returns merchandise, a credit should be issued to the Cardholder's P-Card and a credit receipt obtained. Under no circumstances should a Cardholder receive cash or a credit voucher. The Cardholder or State Agency Approver is responsible for reviewing *CitiManager*® to ensure that credits are received and, if not, file the appropriate paperwork for disputed items. Cardholders should avoid Vendors with restrictive merchandise return policies.

6.6. Disputing Transactions.

If there is a problem with a Transaction, the Cardholder must first attempt to reach a resolution directly with the Vendor. In most cases, disputes can be resolved between the Cardholder and the Vendor. The Vendor will usually issue a credit.

The Cardholder should document all attempts to resolve a problematic Transaction. If the disputed Transaction involves a reservation or order that has been cancelled, the Cardholder is responsible for obtaining a cancellation number. If efforts to resolve the problem with the Vendor are unsuccessful or if a credit does not appear in *CitiManager*®, the Cardholder should file the appropriate dispute paperwork with the Bank and contact his or her State Agency P-Card Program Coordinator.

If a Citibank Statement contains a Transaction that needs to be disputed, the Cardholder should contact Citibank Customer Service at 1-800-248-4553, Option #0 to initiate the dispute process, and contact his or her State Agency P-Card Program Coordinator to ensure the disputed transaction has been documented. If the dispute cannot be resolved between the Cardholder and the Bank, the Cardholder shall immediately notify his or her State Agency P-Card Program Coordinator and follow the agency-specific procedures for disputes.

6.7. Declined Purchase Transactions.

On occasion, a Cardholder's purchase transaction may be declined. Cardholders should contact Citibank Customer Service at 1-800-248-4553, option #0 to determine the reason for the decline before contacting their State Agency P-Card Program Coordinator for assistance.

Common reasons for declines include:

- MCC is restricted from the Purchasing Card;
- The Cardholders has exceeded the STL, daily limit or monthly limit; or
- Invalid expiration.

7. CARD ISSUANCE AND CANCELLATION.

The State Agency P-Card Program Coordinator is responsible for issuing all P-Cards within his or her Agency. State Agency P-Card Program Coordinators ~~are responsible for deactivating P-Cards as necessary, while the~~ have authority to terminate a Cardholder's status as a Cardholder and cancel P-Cards. The Statewide P-Card Program Administrator ~~is responsible for permanent cancellation of P-Cards~~ should be notified of any P-Card cancellations.

7.1. P-Card Issuance.

Purchasing Cards are issued following:

- Completion of the Cardholder Application;
- Completion and approval of a Cardholder profile;
- Completion of P-Card training; and
- Completion of the Cardholder Agreement.

7.2. P-Card Cancellation.

P-Cards shall be cancelled by the following:

- Cardholder's separation from employment for any reason;
- Cardholder's job status changes such that ~~they~~ he or she no longer ~~require~~ requires a P-Card;
- Cardholder reports the loss or theft of the P-Card;

- Cardholder misuses the P-Card; or
- Untimely approval of transactions.

If a P-Card is cancelled, it shall be destroyed by cutting it down the magnetic strip. The Statewide P-Card Program Administrator shall be notified of all P-Card cancellations.

8. P-CARD PROGRAM TRAINING.

Cardholder training is critical—all Cardholders must complete training before being issued a P-Card. Training ensures that the Cardholder understands the P-Card Program procedures and this Policy and is aware of potential disciplinary action for P-Card misuse or abuse. Once training is complete, the Cardholder shall sign a Cardholder Agreement as a condition for being issued a P-Card. The Cardholder Agreement is evidence that the Cardholder has received training and a copy of the P-Card Policy. The Statewide P-Card Program Administrator will coordinate Cardholder training with State Agency P-Card Program Coordinators.

9. INTERNAL CONTROLS.

A strong system of internal controls is essential for detection and deterrence of fraud, misuse, or abuse of the P-Card. Internal controls include policies, procedures, training, spending limits, Merchant Category Code restrictions, prompt reconciliation, and prompt account distribution.

9.1. Duty of State Agencies.

Each State Agency must establish an internal control structure that ensures compliance with the State's procurement laws, CPO rules, policies and procedures, this Policy, and the terms and conditions of P-Card established by the Bank. The State Agency Fiscal Director is responsible for developing and reviewing the State Agency's internal P-Card policy and ensuring that sound accounting practices and internal policies are in place and enforced.

All State Agency P-Card Program internal policies shall address the following:

- Separation of duties between ordering cards (State Agency P-Card Program Coordinators), making Transactions (Cardholders and Users), and review or approval of Transactions for payment (Cardholder Supervisors or Cardholder Approvers);
- Independent review of the P-Card Account maintenance activity at least monthly if the State Agency P-Card Program Coordinator is also a Cardholder or User.
- Limits on the number of Cardholders assigned to a Cardholder Supervisor in order to ensure adequate review of business need and documentation for each Transaction; and
- Provision for annual independent audit or review of the Agency's P-Card program by the State Agency P-Card Program Coordinator, State Agency Internal Audit unit, or other business unit assigned State Agency audit responsibilities. Reviews must include adequacy of:
 - Internal policies and procedures;
 - Cardholder spending limits;
 - Monthly reconciliation procedures; and
 - Documentation for Transactions.

9.2. State Agency Internal P-Card Policy and Procedures.

Each State Agency must develop its own internal policy and procedures to address areas that this Policy does not address.

9.3. Card Management and Reconciliation Systems.

All Transaction reconciliations will be completed in Edison unless the Central Procurement Office approves an alternate method of reconciliation.

9.4. Merchant Category Code Restrictions.

Merchant Category Codes are four-digit codes used by commercial credit card brands (e.g., Visa, MasterCard, American Express) to identify a merchant's principal trade, profession, or line of business. MCCs are assigned to a merchant based on the types of goods or services the merchant provides. MCCs blocked on P-Cards restrict State purchases from certain merchants to protect against unauthorized or prohibited purchases.

- The Statewide P-Card Program Administration Team manages the State-identified MCC groups that contain codes associated with vendors that provide goods or services that are prohibited for purchase using the P-Card.
- Although Transactions at unauthorized MCCs are blocked at the point-of-sale, they are occasionally forced through. These Transactions are subject to audit.
- The CPO's Compliance Team will conduct periodic audits of Transactions with restricted MCC vendors.
- State Agencies may request activation of additional MCCs for inclusion in a State-authorized group or creation of a new MCC group to meet specific needs. A Cardholder's State Agency P-Card Program Coordinator should ensure that Cardholder profiles permit only those MCC groups that a Cardholder needs to meet his or her job requirements.

9.5. Cardholder Spending Limits and Utilization.

The State Agency Fiscal Director may establish a Single Transaction Limit (STL) of up to the ten thousand dollar (\$10,000) maximum for Cardholders as he or she determines appropriate taking into account the State Agency's overall needs. Imposing spending limits enables management to provide Cardholders with the purchasing power to perform their jobs without exposing the State to unnecessary risk. Spending limits should be based on the Cardholder's job responsibilities. Cardholder spending limits must be reviewed at least annually to determine if actual usage is consistent with spending limits. Increases or decreases to spending limits may be made by the State Agency Fiscal Director as needed. Cardholders are prohibited from splitting a single purchase between one or more P-Cards or between a Card transaction and a purchase order to circumvent the STL or CPO rules, policies or procedures. Each State Agency is required to perform a review of spending limits at least annually in order to determine if each Cardholder's spending limit is adequate and appropriate.

9.6. Dormant Cards.

Each State Agency's internal P-Card policy shall address how long a P-Card can remain unused before it is considered inactive. The CPO recommends that State Agencies reduce

the Cycle Limit of any P-Card that has not been used within twelve (12) complete cycles to one dollar (\$1). When a P-Card has not been used for some time, the State Agency P-Card Program Coordinator should conduct a review to determine if the Cardholder still needs a P-Card. Each State Agency is responsible for the ensuring that this review is completed in accordance with its own internal P-Card policy.

10. DOCUMENTATION AND ACCOUNTING.

10.1. Documentation.

State Agencies should use Edison for Transaction reconciliation. When performing reconciliation in Edison, Cardholders must follow internal procedures for handling documentation, ~~including logs~~. Any State Agency seeking to use a manual method for Transaction reconciliation must obtain approval from the Central Procurement Office.

Regardless of the Transaction reconciliation method, Cardholders should ~~maintain a log~~ and provide invoices or receipts for all Transactions. Invoices or receipts shall include:

- The Vendor's name, location, and contact information;
- Line item details, including quantity, description, unit price, and total price; and
- A line showing that the State was not charged for sales tax.

10.2. Receipts.

- It is the Cardholder's responsibility to obtain itemized receipts and any other pertinent backup documentation. Other documentation may include shipping documents and bills of lading. This information will be used by the Agency to validate and reconcile charges.
- For online purchases that do not provide a downloadable receipt, a screen shot of the receipt information can serve as a receipt.
- In lieu of obtaining physical receipts, the Cardholder may also take a picture of the receipt with his or her mobile device and save the receipt electronically.
- If a Cardholder loses a receipt and a duplicate cannot be obtained, the Cardholder should follow his or her State Agency's internal procedures for lost receipts. Cardholders who lose receipts and resort to their Agency's internal procedures for lost receipts more than three (3) times during a fiscal year may have their P-Card privileges suspended.
- The amount on the receipt and the amount of the charge to the Cardholder's P-Card account must match. Any discrepancies in amounts should be resolved with the Vendor and an explanation regarding the resolution should be made on the receipt or other backup documentation. It is not sufficient to change the amount on the receipt only.
- The Cardholder and the Cardholder Supervisor shall document all missing receipts.
- Credits may be processed without a receipt, but the Cardholder must provide an explanation of the credit.

10.3. Reconciliation.

- Cardholders should perform reconciliation in Edison on a weekly basis.

- After completing the weekly reconciliation process, the Cardholder must forward signed and dated receipts to his or her State Agency Approver. This should also occur on a weekly basis.
- ~~If the State Agency requires Cardholders to submit manual logs to the State Agency Reconciler, the documentation must meet the following additional requirements:~~
 - ~~All transaction logs or monthly billing statements must be signed by the Cardholder and Cardholder Supervisor. Signature stamps are not permitted; and~~
 - ~~All invoices or receipts must be attached to the log or monthly billing statement and submitted following State Agency internal procedures.~~

10.4. Allocation to the General Ledger.

Timely allocation of charges to the general ledger is essential to ensure compliance with State accounting and budgetary policies. The State Agency must ensure that all transactions are allocated to the general ledger before the end of the billing cycle.

11. PROHIBITED PURCHASES AND TRANSACTIONS.

11.1. Prohibited Purchases.

Cardholders are prohibited from using a physical P-Card for the following types of purchases, payments, or transactions:

- Goods or services not directly related to job responsibilities or other official State of Tennessee business, i.e., personal purchases;
- Cash withdrawals, including ATM or debit withdrawals;
- Travel expenses;
- Telephone billings;
- Political publications of any sort;
- Utility billings and connection fees;
- Payments to another State Agency;
- Rental of passenger vehicles of any kind;
- Artifacts for historical or commemorative purposes (except for the State Museum);
- An employee's moving expenses;
- Purchases of any motor vehicle fuel for any vehicle or equipment leased from the Department of General Services' Division of Motor Vehicle Management ("MVM");
- Back orders or partial shipments—goods or services must be in stock or otherwise available at the time of purchase;
- Purchases made using a P-Card or other account by someone other than the Cardholder or account holder;
- Service awards for state employees;
- Awards for private citizens;
- Honoraria expenses;
- Insurance policies;

- Gift cards or gift certificates; and
- Any goods or services related to political activity as defined under “The Little Hatch Act,” Tenn. Code Ann. §§ 2-19-201 through 208;

11.2. Personal Purchases Prohibited.

As provided in Sections 3.1, 5.7 and 12.1, Cardholders are prohibited from using a P-Card for the purchase of any goods or services not directly related to job responsibilities or other official State business. Intentional use of a P-Card for any purposes other than State business will result in disciplinary action, up to and including termination from State employment or criminal prosecution. Under Tenn. Code Ann. § 39-16-402, State employees who intentionally or knowingly use a P-Card or a Virtual P-Card for personal purchases commit a Class E felony.

11.3. Split Charges Prohibited.

Tenn. Code Ann. § 12-3-503(b) and CPO Policy Number 2013-003 authorize State Agencies to make a purchase without soliciting quotes or proposals from multiple vendors when the total value of the purchase is ten thousand dollars (\$10,000) or less. Cardholders are prohibited by Tenn. Code Ann. § 12-3-503(b)(2) from splitting a transaction between two or more transactions on a single account, two or more transactions on multiple accounts, or two or more transactions using the P-Card and a purchase order, in order to circumvent the STL imposed on the P-Card. The STL for P-Card purchases using a physical P-Card is ten thousand dollars (\$10,000) unless a State Agency has designated a lower STL in its internal P-Card policy.

11.4. Payment of Sales and Use Tax.

Tenn. Code Ann. § 67-6-329(a) provides that all sales of services and tangible personal property made to the State of Tennessee are exempted from sales and use taxes.

Cardholders should provide each vendor with an exemption certificate, as described in Section 6.4. Cardholders are responsible for ensuring that vendors do not charge tax or provide a credit for inadvertent charges.

- If taxes are charged, the Cardholder must contact the vendor to obtain a credit to the account.
- Vendors may only credit the State’s P-Card Account and may not refund erroneously paid taxes through other means, including cash, gift cards, or store credit.
- The Cardholder is required to maintain documentation of his or her attempts to obtain credit for any Tennessee Sales and Use Tax charged to the P-Card Account in error.

12. PURCHASES RESERVED FOR THE DESIGNATED STATE AGENCY CENTRAL FISCAL OFFICE CARDHOLDER.

Only the person designated by the State Agency Fiscal Director may use his or her individual P-Card for the following purchases:

- Tuition, fees, and supplies for training individuals;
- Internet, newspaper, radio, or television advertisements;
- Subscriptions to newspapers, periodicals, newsletters, or pamphlets;

- Organization membership dues;
- Charges for meeting rooms and attendant expenses in excess of two hundred dollars (\$200) per day or for more than five (5) days;
- Convention or registration fees; and
- Association entry fees.

State Agencies may request an exception from this paragraph by submitting a letter to the Statewide P-Card Program Administrator. The letter must be on Agency letterhead, include a business justification for the exception, and be signed by the Agency's Fiscal Director.

13. DECLARED EMERGENCIES AND NATURAL DISASTERS.

Tenn. Comp. R. & Regs. 0690-03-01-.05(5) authorizes the CPO or delegated State Agencies to forego standard procurement requirements to meet emergencies arising from unforeseen causes. If an emergency affecting the health or safety of any person occurs when CPO personnel are not available, any State Agency is authorized to contract for necessary goods or services and obtain "after the fact" emergency purchase authorization. All requests for "after the fact" emergency purchase authorization shall comply with CPO rules, policies, and procedures.

14. ENCOURAGED USE OF P-CARDS.

14.1. Statewide and Agency Term Contracts.

As provided in Section 10.4 of the CPO's *Procurement Procedures Manual*, State Agencies are required to use Statewide Contracts for procuring goods or services to the extent the needed goods or services are available on a Statewide Contract. State Agencies may not procure goods or services available on a Statewide Contract from any other source without prior approval from the Chief Procurement Officer or designee. State Agencies are encouraged to utilize P-Cards for purchasing goods or services on Agency Term Contracts and Statewide Contracts.

14.2. Utilization of Diversity Vendors.

Cardholders are strongly encouraged to make authorized purchases from vendors certified by the Governor's Office of Diversity Business Enterprise.

15. SURCHARGES AND CONVENIENCE FEES.

Many vendors charge a "credit card processing fee" or "convenience fee" for accepting credit cards including the P-Card. These types of fees are strictly regulated by Visa and MasterCard.

According to Visa's "Card Acceptance and Chargeback Management Guidelines for Merchants" available on Visa's website, credit card surcharges are allowed but cannot be more than the amount the vendor's bank charges them for processing the transaction. Also, the vendor cannot charge both a surcharge and a convenience fee, explained below.

The maximum allowable surcharge is four percent (4%) and must be shown as a line item on the detailed invoice or receipt. Whenever a Vendor charges a surcharge, the following rules apply:

- The Vendor must have provided Visa and its bank at least thirty (30) days notification of their intent to impose surcharges;

- The fact that the Vendor imposes surcharges must be clearly posted on the door and at point-of-sale for physical locations and on web sites when sales are made via the internet; and
- The Vendor must inform the Cardholder or User:
 - Of the exact percent of the surcharge;
 - That the Vendor is the entity assessing the surcharge;
 - That surcharges are applicable on credit transactions only; and
 - That the surcharge is not greater than what the vendor pays to Visa.

For any Transaction where the Vendor has charged a surcharge, a Cardholder or User must obtain a copy of the acknowledgement letter sent to the Vendor by Visa authorizing the Vendor to impose a surcharge. A copy on file with the State Agency P-Card Program Coordinator will be sufficient.

Policy Number 2015-010
Central Procurement Office
Statewide Purchasing Card Policy and Procedures

Effective: **DATE**

“Purchasing Card” or “P-Card” means a commercial card that allows organizations to take advantage of the existing credit card infrastructure to make electronic payments for goods or services. A P-Card is similar to a consumer credit card, but the card-using organization must pay the card issuer in full each month. In this Policy, the term “Purchasing Card” or “P-Card” shall also include “Virtual Purchasing Cards” or “Virtual P-Cards” as the context requires.

“Purchasing Card Profile” means the unique profile associated with a Cardholder that contains monetary or MCC limits on the Cardholder’s ability to make purchases on behalf of the State.

3. TYPES OF ACCOUNTS.

This Policy recognizes two general account types: P-Card Accounts and Virtual P-Card accounts. P-Card Accounts and Virtual P-Card accounts can be used only for official State business as set forth in this Policy. P-Cards must be surrendered or Virtual P-Card accounts closed upon the Cardholder’s transfer to another State Agency, separation from state employment, or upon demand by the Cardholder Supervisor, the State Agency P-Card Program Coordinator or the Statewide P-Card Program Administrator.

3.1. P-Card Accounts.

P-Card accounts are those that involve the issuance of a P-Card Account to an individual Cardholder to further the official business of the State. Cardholders are limited to one active physical P-Card.

3.2. Virtual P-Cards.

Virtual P-Cards are cardless accounts that allow State Agencies to pay for approved, Edison purchase order transactions initiated by Virtual P-Card Users. The account number is “embedded” in the Edison P-Card module and is securely transmitted to the vendor upon Edison-based approval of a User’s purchase order transactions. A Virtual P-Card may be used for payments to any vendor that is registered in the State’s vendor registration system whose payment method has been activated to “P-Card” in Edison. Virtual P-Card accounts allow for greater ease of use (multiple buyers can leverage the same payment device), as well as enhanced control through absence of a physical card and spending limits. The State Agency P-Card Coordinator should contact the Statewide P-Card Program Administrator for more information on Virtual P-Cards.

The ten thousand dollar (\$10,000) STL that applies to physical P-Cards does not apply to Virtual P-Cards; there is no STL for purchases made with a Virtual P-Card. The Bank

determines the Cycle Limit for Virtual P-Cards. Each State Agency is limited to one (1) Virtual P-Card Account.

3.2.1. Records Retention Requirements.

The Office of the Secretary of State oversees Tennessee's Records Management Division, the State Agency that provides guidance on disposition, retention, and destruction of state records. Records Disposition Authority (RDA) SW23 applies to all P-Card documents. RDA SW23 requires that State Agencies maintain documents related to P-Card issuance and use for five (5) years and destroy them at the end of the five-year period. P-Card documents may be maintained in either paper or electronic format, so long as the electronic content has been verified for completeness, accuracy, and usability. RDA SW23 is available in its entirety at <http://www.tnsos.net/rmd/rda/index.php>.

3.2.2. Internal Revenue Service 1099 Reporting.

In 2011, the Internal Revenue Service announced changes to the Internal Revenue Code, Section 6050W, which shifted the burden of payment reporting requirements from the purchaser to the vendor's bank when the P-Card is the payment method for a reportable transaction. Because of the shift in responsibility, participants in the Program are no longer required to report total P-Card transactions in excess of six hundred dollars (\$600) with certain vendors. Reporting for all other payment methods, including checks, Automated Clearing House, or other means, will remain the responsibility of the State Agency making payment. Cardholders should consult the tax specialists at their State Agency for further information or details regarding Internal Revenue Service 1099 reporting requirements.

4. OVERVIEW OF P-CARD PROGRAM ROLES AND RESPONSIBILITIES.

The CPO is the State Agency that is primarily responsible for managing, overseeing, and coordinating the P-Card Program. The Statewide P-Card Program Administrator is the employee within the CPO who has the direct, day-to-day responsibility for managing, overseeing, and coordinating the P-Card Program between the CPO and State Agencies. The State Agency P-Card Coordinator is the employee within each State Agency who has been appointed to supervise Cardholders and manage and coordinate the P-Card Program within his or her State Agency in compliance with this Policy. The Cardholder Supervisor is the State Agency employee with supervisory authority over the Cardholder who ensures that transactions are properly reconciled and reported to the Department of Finance and Administration ("F&A"), Division of Accounts. State Agency Reconcilers are the employees within a State Agency who are responsible for reconciling P-Card transactions. The State Agency Approver is the employee within the State Agency who approves P-Card Transactions. The Cardholder is the specially-trained employee within a State Agency responsible for purchasing goods or services on behalf of the State of Tennessee using a physical P-Card. In the interests of segregating duties and responsibilities, State Agency Reconcilers shall not be Cardholders.

5. P-CARD PROGRAM ROLES AND RESPONSIBILITIES.

5.1. P-Card Processing Cycle Overview.

The typical cycle for P-Card usage is:

- An individual Cardholder, with State Agency approved spending limits, initiates a purchase using a P-Card;
- The individual Cardholder retains an original, legible copy of the purchase's receipt for use in reconciliation (see Section 10.2 for more information on receipts);
- Transactions are typically posted in the Edison P-Card module within 24-72 hours after the purchase is made;
- The Cardholder will log into the Edison P-Card module on a weekly basis to review transactions and account coding and take necessary action to correct errors in the purchase details;
- The Cardholder and his or her State Agency Approver confirms or disputes Transactions posted to the card account;
- The credit line is replenished for the amount of the Transactions;
- The Cardholder will receive a hard-copy Bank statement monthly;
- The hard-copy Bank statement and original receipts will be sent to the State Agency Reconciler for final reconciliation;
- The State Agency Reconciler will reconcile all Transactions in accordance with the State Agency P-Card Policy; and
- The State Agency Reconciler prepares all documentation for retention.

5.2. Statewide P-Card Program Administrator.

The Statewide P-Card Program Administrator serves as the primary point-of-contact in the CPO for the P-Card Program. The Statewide P-Card Program Administrator's role, duties and responsibilities include:

- Establishing written internal procedures to ensure compliance with state procurement statutes, rules, policies and procedures, including this Policy, and reviewing each State Agency's internal P-Card policy;
- Developing written internal procedures for requesting exceptions to either state or internal policy requirements;
- Ensuring that State Agency Transactions are audited at least annually;
- Developing State Agency specific training for all Cardholders, State Agency Approvers, State Agency Reconcilers, and State Agency Supervisors;
- Developing appropriate refresher training to be delivered at least annually; and
- Notifying State Agency P-Card Program Coordinators of changes in state rules, policies or procedures.

5.3. State Agency P-Card Program Coordinator.

The State Agency P-Card Program Coordinator serves as the main point-of-contact between the State Agency and the Statewide P-Card Program Administration Team.

The State Agency must provide the Statewide P-Card Program Administrator written notice within one (1) business day of any changes in status of the State Agency P-Card Program Coordinator.

The State Agency P-Card Program Coordinator's role, duties, and responsibilities include:

- Collaborating with the Agency's Fiscal Director to develop and maintain the State Agency's internal P-Card policy to address policy areas unique to the State Agency or that are not covered by this Policy;
- Working with State Agency management to identify job titles, positions, or Edison roles that require use of a P-Card or Virtual P-Card;
- Working with State Agency management to determine appropriate Cardholder spending limits based on budget restrictions, job requirements, historical spending patterns, and overall procurement practices;
- Evaluating Cardholder spending limits against actual usage at least annually;
- Terminating a Cardholder's status if necessary (e.g., due to separation from employment, transfer to another State Agency, low P-Card usage) and cancelling a P-Card;
- Ensuring Agency-wide reconciliation procedures provide for timely payment and for allocation of Transactions to the general ledger at least monthly; and
- Ensuring that Transactions are reconciled and supported by adequate documentation, including use of Edison or CitiManager®, as appropriate.

5.4. Cardholder Supervisors.

The Cardholder Supervisor responsible for supervising Cardholders must have a thorough knowledge of the Cardholders' job responsibilities in order to determine if purchases are job-related or otherwise authorized by CPO rules, policies or procedures. The Cardholder Supervisor's role, duties, and responsibilities include:

- Before approving the P-Card transactions, either by signing a transaction log or statement or signing off on transactions electronically, carefully reviewing all documentation to ensure that all documentation meets the minimum requirements as set forth in this Policy;
- Approving, rejecting, or disputing all Transactions within the scheduled timeframe;
- Ensuring that all documentation is submitted according to the State Agency's internal procedures and this Policy;
- Maintaining knowledge of State Agency internal procedures and policies and this Policy; and
- Requesting reasonable spending limits in accordance with State Agency internal procedures and policies and this Policy.

5.5. State Agency Reconciler.

The State Agency Reconciler is the State Agency employee responsible for all the functions associated with post-purchase processing of P-Card Transactions including account allocation and providing a business purpose when required. A Reconciler

CANNOT make purchases using the P-Card belonging to a Cardholder for whom he or she reconciles.

5.6. State Agency Approver.

The State Agency Approver is the State Agency employee who approves purchases made by the Cardholder to which he or she is assigned. This role may also be performed by the Cardholder Supervisor. By approving each P-Card transaction, the Approver exercises critical control by ensuring authorized and appropriate P-Card use and correct allocation of expenses in accordance with related policies of F&A, Division of Accounts. State Agency Approvers should also review receipts where appropriate to ensure compliance with this Policy and F&A, Division of Accounts policies. No Cardholder may approve his or her own P-Card transactions nor may he or she direct someone else to approve P-Card transactions in a manner that could violate this Policy or applicable policies of F&A, Division of Accounts. As a general rule, the State Agency Approver should not report to the Cardholder whose transactions he or she is reviewing. A State Agency Approver has the following responsibilities:

- Review Cardholder transactions to ensure that purchases made were:
 - For the use and benefit of the State of Tennessee;
 - Necessary for the official duties of the agency;
 - Made in accordance with CPO policies and procedures;
 - For goods or services actually received.
- If a State Agency Approver is in doubt about any of the above, the State Agency Approver should immediately question the Cardholder and seek advice from the State Agency P-Card Program Coordinator or the Statewide P-Card Program Administrator.
- Immediately inform the State Agency P-Card Program Coordinator of any misuse, abuse or fraudulent use of a P-Card.
- If the Cardholder is unavailable for questioning, the State Agency P-Card Program Coordinator or the Statewide P-Card Program Administration Team may adjust the Cardholder's STL to one dollar (\$1.00). The State Agency Approver shall notify the State Agency P-Card Program Coordinator of Cardholder transfers or terminations. Advanced notice is required if the State Agency Approver is aware of impending personnel actions.
- Review, certify, and forward Cardholder transaction log pages, receipts or cycle statements in accordance with this Policy.

5.7. Cardholders.

An important participant in the P-Card Program is the Cardholder. The Cardholder is a key element in making the P-Card Program successful.

5.7.1. Cardholder Responsibilities.

The State is responsible for payment to Citibank. Therefore, P-Cards are issued to the State and assigned on its behalf to specific Cardholders. No credit checks will be performed on individual employees nor will account activity be reported to credit rating agencies. Cardholders have the following duties and responsibilities as a condition for being issued a P-Card:

- Reading and becoming familiar with this Policy;
- Attending and passing Cardholder / Approver training course;
- Signing Cardholder / Approver agreement;
- Being responsible for all purchases made on the P-Card; and
- Adhering to this Policy and other applicable rules, policies, and procedures.

5.7.2 Cardholder Misuse.

Each Cardholder is responsible for the purchases made on the P-Card that is assigned to them. Cardholders are required to adhere to applicable CPO rules, policies, procedures, and this Policy.

Use of a P-Card is a privilege based on trust. A Cardholder is trained and understands the penalties for abuse of the P-Card. The P-Card is for official State business use only and the purchase of personal or disallowable goods or services is strictly prohibited. Misuse of the P-Card may result in disciplinary action up to and including termination of employment and prosecution to the extent permitted by law. Cardholders will be required to reimburse the State, including sales tax, for any improper purchases.

5.8. Virtual P-Card Users.

Virtual P-Card Users are critical to the P-Card Program's success. A User has authority to make purchases utilizing his or her Agency's local purchase authority and to make purchases from a Statewide Contract or Agency Term Contract for official State business. State Agency employees with an e-procurement or buyer role in Edison are eligible to be Users. Users must complete training on reconciliation procedures before initiating any Transactions with a Virtual P-Card.

6. P-CARD SECURITY.

The security of each P-Card is the Cardholder's responsibility. Every precaution should be used to protect the account number. The account number should never be left in a conspicuous place.

Use of the P-Card is restricted to the authorized Cardholder whose name appears on the face of the card and may not be loaned to any other person. The account number that appears on the P-Card must not be given to any individual other than the vendor from whom the Cardholder is making a purchase.

6.1. Lost or Stolen Cards.

If a P-Card is lost, stolen, or the card information has been compromised, the Cardholder must immediately contact **Citibank Customer Service at 1-800-248-4553**. Upon such notification, outstanding authorizations will be confirmed and further use of the P-Card will be blocked by Citibank. Neither the State nor the Cardholder will be responsible for fraudulent charges made to a promptly reported lost or stolen card.

At the time of the notification, Citibank will request the following information:

Cardholder's name

Account number
Last four digits of SSN
Circumstances surrounding the loss of the card
Any purchase(s) made prior to the card being lost or stolen

The Cardholder must notify his or her State Agency P-Card Program Coordinator of the P-Card's loss or theft and make arrangements to receive a new P-Card. Citibank will then issue a new card with a new account number which will be delivered to the State Agency P-Card Program Coordinator.

6.2. Separation from Employment.

If a Cardholder's separation from employment or transfer to another State position is planned, P-Card use shall be discontinued prior to Cardholder's separation from employment or transfer to allow sufficient time for submission of receipts and processing of outstanding charges before the Cardholder leaves or transfers. In the event of unplanned separation from employment, the Cardholder's P-Card shall immediately be deactivated and the Cardholder shall discontinue P-Card use upon separation from employment.

6.3. Purchasing Rules.

The P-Card is only a vehicle for making purchases. Existing State laws governing procurement, accounts payable, records retention, and other applicable laws must still be followed. All procurement rules of the CPO apply when using the P-Card.

6.4. Tax Exemption.

Purchases made in Tennessee and for the use and benefit of the State of Tennessee are exempt from Tennessee sales tax. Cardholders should obtain an exemption certificate and present it to each vendor. This form is available on the Department of Revenue web site at <http://www.tn.gov/revenue/forms/sales/index.shtml> in the "Exemption Applications/Certificates" section. Purchases made in other states may be subject to that state's sales tax. The Cardholder must be diligent when dealing with the vendor regarding taxes. If the vendor cannot deduct the sales tax because of pre-set controls within its computer systems or will not honor the exemption, the Cardholder may continue with the purchase but must note the refusal on the receipt. In the event a Cardholder is inappropriately charged for sales tax, he or she shall seek a credit refund of any sales taxes to the P-Card account.

6.5. Credits.

If a Cardholder returns merchandise, a credit should be issued to the Cardholder's P-Card and a credit receipt obtained. Under no circumstances should a Cardholder receive cash or a credit voucher. The Cardholder or State Agency Approver is responsible for reviewing *CitiManager*® to ensure that credits are received and, if not, file the appropriate paperwork for disputed items. Cardholders should avoid Vendors with restrictive merchandise return policies.

6.6. Disputing Transactions.

If there is a problem with a Transaction, the Cardholder must first attempt to reach a resolution directly with the Vendor. In most cases, disputes can be resolved between the Cardholder and the Vendor. The Vendor will usually issue a credit.

The Cardholder should document all attempts to resolve a problematic Transaction. If the disputed Transaction involves a reservation or order that has been cancelled, the Cardholder is responsible for obtaining a cancellation number. If efforts to resolve the problem with the Vendor are unsuccessful or if a credit does not appear in *CitiManager*®, the Cardholder should file the appropriate dispute paperwork with the Bank and contact his or her State Agency P-Card Program Coordinator.

If a Citibank Statement contains a Transaction that needs to be disputed, the Cardholder should contact Citibank Customer Service at 1-800-248-4553, Option #0 to initiate the dispute process, and contact his or her State Agency P-Card Program Coordinator to ensure the disputed transaction has been documented. If the dispute cannot be resolved between the Cardholder and the Bank, the Cardholder shall immediately notify his or her State Agency P-Card Program Coordinator and follow the agency-specific procedures for disputes.

6.7. Declined Purchase Transactions.

On occasion, a Cardholder's purchase transaction may be declined. Cardholders should contact Citibank Customer Service at 1-800-248-4553, option #0 to determine the reason for the decline before contacting their State Agency P-Card Program Coordinator for assistance.

Common reasons for declines include:

- MCC is restricted from the Purchasing Card;
- The Cardholders has exceeded the STL, daily limit or monthly limit; or
- Invalid expiration.

7. CARD ISSUANCE AND CANCELLATION.

The State Agency P-Card Program Coordinator is responsible for issuing all P-Cards within his or her Agency. State Agency P-Card Program Coordinators have authority to terminate a Cardholder's status as a Cardholder and cancel P-Cards. The Statewide P-Card Program Administrator should be notified of any P-Card cancellations.

7.1. P-Card Issuance.

Purchasing Cards are issued following:

- Completion of the Cardholder Application;
- Completion and approval of a Cardholder profile;
- Completion of P-Card training; and
- Completion of the Cardholder Agreement.

7.2. P-Card Cancellation.

P-Cards shall be cancelled by the following:

- Cardholder's separation from employment for any reason;
- Cardholder's job status changes such that he or she no longer requires a P-Card;
- Cardholder reports the loss or theft of the P-Card;
- Cardholder misuses the P-Card; or
- Untimely approval of transactions.

If a P-Card is cancelled, it shall be destroyed by cutting it down the magnetic strip. The Statewide P-Card Program Administrator shall be notified of all P-Card cancellations.

8. P-CARD PROGRAM TRAINING.

Cardholder training is critical—all Cardholders must complete training before being issued a P-Card. Training ensures that the Cardholder understands the P-Card Program procedures and this Policy and is aware of potential disciplinary action for P-Card misuse or abuse. Once training is complete, the Cardholder shall sign a Cardholder Agreement as a condition for being issued a P-Card. The Cardholder Agreement is evidence that the Cardholder has received training and a copy of the P-Card Policy. The Statewide P-Card Program Administrator will coordinate Cardholder training with State Agency P-Card Program Coordinators.

9. INTERNAL CONTROLS.

A strong system of internal controls is essential for detection and deterrence of fraud, misuse, or abuse of the P-Card. Internal controls include policies, procedures, training, spending limits, Merchant Category Code restrictions, prompt reconciliation, and prompt account distribution.

9.1. Duty of State Agencies.

Each State Agency must establish an internal control structure that ensures compliance with the State's procurement laws, CPO rules, policies and procedures, this Policy, and the terms and conditions of P-Card established by the Bank. The State Agency Fiscal Director is responsible for developing and reviewing the State Agency's internal P-Card policy and ensuring that sound accounting practices and internal policies are in place and enforced. All State Agency P-Card Program internal policies shall address the following:

- Separation of duties between ordering cards (State Agency P-Card Program Coordinators), making Transactions (Cardholders and Users), and review or approval of Transactions for payment (Cardholder Supervisors or Cardholder Approvers);
- Independent review of the P-Card Account maintenance activity at least monthly if the State Agency P-Card Program Coordinator is also a Cardholder or User.
- Limits on the number of Cardholders assigned to a Cardholder Supervisor in order to ensure adequate review of business need and documentation for each Transaction; and
- Provision for annual independent audit or review of the Agency's P-Card program by the State Agency P-Card Program Coordinator, State Agency Internal Audit unit, or other business unit assigned State Agency audit responsibilities. Reviews must include adequacy of:
 - Internal policies and procedures;

- Cardholder spending limits;
- Monthly reconciliation procedures; and
- Documentation for Transactions.

9.2. State Agency Internal P-Card Policy and Procedures.

Each State Agency must develop its own internal policy and procedures to address areas that this Policy does not address.

9.3. Card Management and Reconciliation Systems.

All Transaction reconciliations will be completed in Edison unless the Central Procurement Office approves an alternate method of reconciliation.

9.4. Merchant Category Code Restrictions.

Merchant Category Codes are four-digit codes used by commercial credit card brands (e.g., Visa, MasterCard, American Express) to identify a merchant's principal trade, profession, or line of business. MCCs are assigned to a merchant based on the types of goods or services the merchant provides. MCCs blocked on P-Cards restrict State purchases from certain merchants to protect against unauthorized or prohibited purchases.

- The Statewide P-Card Program Administration Team manages the State-identified MCC groups that contain codes associated with vendors that provide goods or services that are prohibited for purchase using the P-Card.
- Although Transactions at unauthorized MCCs are blocked at the point-of-sale, they are occasionally forced through. These Transactions are subject to audit.
- The CPO's Compliance Team will conduct periodic audits of Transactions with restricted MCC vendors.
- State Agencies may request activation of additional MCCs for inclusion in a State-authorized group or creation of a new MCC group to meet specific needs. A Cardholder's State Agency P-Card Program Coordinator should ensure that Cardholder profiles permit only those MCC groups that a Cardholder needs to meet his or her job requirements.

9.5. Cardholder Spending Limits and Utilization.

The State Agency Fiscal Director may establish a Single Transaction Limit (STL) of up to the ten thousand dollar (\$10,000) maximum for Cardholders as he or she determines appropriate taking into account the State Agency's overall needs. Imposing spending limits enables management to provide Cardholders with the purchasing power to perform their jobs without exposing the State to unnecessary risk. Spending limits should be based on the Cardholder's job responsibilities. Cardholder spending limits must be reviewed at least annually to determine if actual usage is consistent with spending limits. Increases or decreases to spending limits may be made by the State Agency Fiscal Director as needed. Cardholders are prohibited from splitting a single purchase between one or more P-Cards or between a Card transaction and a purchase order to circumvent the STL or CPO rules, policies or procedures. Each State Agency is required to perform a review of spending limits at least annually in order to determine if each Cardholder's spending limit is adequate and appropriate.

9.6. Dormant Cards.

Each State Agency's internal P-Card policy shall address how long a P-Card can remain unused before it is considered inactive. The CPO recommends that State Agencies reduce the Cycle Limit of any P-Card that has not been used within twelve (12) complete cycles to one dollar (\$1). When a P-Card has not been used for some time, the State Agency P-Card Program Coordinator should conduct a review to determine if the Cardholder still needs a P-Card. Each State Agency is responsible for ensuring that this review is completed in accordance with its own internal P-Card policy.

10. DOCUMENTATION AND ACCOUNTING.

10.1. Documentation.

State Agencies should use Edison for Transaction reconciliation. When performing reconciliation in Edison, Cardholders must follow internal procedures for handling documentation. Any State Agency seeking to use a manual method for Transaction reconciliation must obtain approval from the Central Procurement Office.

Regardless of the Transaction reconciliation method, Cardholders should provide invoices or receipts for all Transactions. Invoices or receipts shall include:

- The Vendor's name, location, and contact information;
- Line item details, including quantity, description, unit price, and total price; and
- A line showing that the State was not charged for sales tax.

10.2. Receipts.

- It is the Cardholder's responsibility to obtain itemized receipts and any other pertinent backup documentation. Other documentation may include shipping documents and bills of lading. This information will be used by the Agency to validate and reconcile charges.
- For online purchases that do not provide a downloadable receipt, a screen shot of the receipt information can serve as a receipt.
- In lieu of obtaining physical receipts, the Cardholder may also take a picture of the receipt with his or her mobile device and save the receipt electronically.
- If a Cardholder loses a receipt and a duplicate cannot be obtained, the Cardholder should follow his or her State Agency's internal procedures for lost receipts. Cardholders who lose receipts and resort to their Agency's internal procedures for lost receipts more than three (3) times during a fiscal year may have their P-Card privileges suspended.
- The amount on the receipt and the amount of the charge to the Cardholder's P-Card account must match. Any discrepancies in amounts should be resolved with the Vendor and an explanation regarding the resolution should be made on the receipt or other backup documentation. It is not sufficient to change the amount on the receipt only.
- The Cardholder and the Cardholder Supervisor shall document all missing receipts.

- Credits may be processed without a receipt, but the Cardholder must provide an explanation of the credit.

10.3. Reconciliation.

- Cardholders should perform reconciliation in Edison on a weekly basis.
- After completing the weekly reconciliation process, the Cardholder must forward signed and dated receipts to his or her State Agency Approver. This should also occur on a weekly basis.

10.4. Allocation to the General Ledger.

Timely allocation of charges to the general ledger is essential to ensure compliance with State accounting and budgetary policies. The State Agency must ensure that all transactions are allocated to the general ledger before the end of the billing cycle.

11. PROHIBITED PURCHASES AND TRANSACTIONS.

11.1. Prohibited Purchases.

Cardholders are prohibited from using a physical P-Card for the following types of purchases, payments, or transactions:

- Goods or services not directly related to job responsibilities or other official State of Tennessee business, i.e., personal purchases;
- Cash withdrawals, including ATM or debit withdrawals;
- Travel expenses;
- Telephone billings;
- Political publications of any sort;
- Utility billings and connection fees;
- Payments to another State Agency;
- Rental of passenger vehicles of any kind;
- Artifacts for historical or commemorative purposes (except for the State Museum);
- An employee's moving expenses;
- Purchases of any motor vehicle fuel for any vehicle of equipment leased from the Department of General Services' Division of Motor Vehicle Management ("MVM");
- Back orders or partial shipments—goods or services must be in stock or otherwise available at the time of purchase;
- Purchases made using a P-Card or other account by someone other than the Cardholder or account holder;
- Service awards for state employees;
- Awards for private citizens;
- Honoraria expenses;
- Insurance policies;
- Gift cards or gift certificates; and
- Any goods or services related to political activity as defined under "The Little Hatch Act," Tenn. Code Ann. §§ 2-19-201 through 208;

11.2. Personal Purchases Prohibited.

As provided in Sections 3.1, 5.7 and 12.1, Cardholders are prohibited from using a P-Card for the purchase of any goods or services not directly related to job responsibilities or other official State business. Intentional use of a P-Card for any purposes other than State business will result in disciplinary action, up to and including termination from State employment or criminal prosecution. Under Tenn. Code Ann. § 39-16-402, State employees who intentionally or knowingly use a P-Card or a Virtual P-Card for personal purchases commit a Class E felony.

11.3. Split Charges Prohibited.

Tenn. Code Ann. § 12-3-503(b) and CPO Policy Number 2013-003 authorize State Agencies to make a purchase without soliciting quotes or proposals from multiple vendors when the total value of the purchase is ten thousand dollars (\$10,000) or less. Cardholders are prohibited by Tenn. Code Ann. § 12-3-503(b)(2) from splitting a transaction between two or more transactions on a single account, two or more transactions on multiple accounts, or two or more transactions using the P-Card and a purchase order, in order to circumvent the STL imposed on the P-Card. The STL for P-Card purchases using a physical P-Card is ten thousand dollars (\$10,000) unless a State Agency has designated a lower STL in its internal P-Card policy.

11.4. Payment of Sales and Use Tax.

Tenn. Code Ann. § 67-6-329(a) provides that all sales of services and tangible personal property made to the State of Tennessee are exempted from sales and use taxes. Cardholders should provide each vendor with an exemption certificate, as described in Section 6.4. Cardholders are responsible for ensuring that vendors do not charge tax or provide a credit for inadvertent charges.

- If taxes are charged, the Cardholder must contact the vendor to obtain a credit to the account.
- Vendors may only credit the State's P-Card Account and may not refund erroneously paid taxes through other means, including cash, gift cards, or store credit.
- The Cardholder is required to maintain documentation of his or her attempts to obtain credit for any Tennessee Sales and Use Tax charged to the P-Card Account in error.

12. PURCHASES RESERVED FOR THE DESIGNATED STATE AGENCY CENTRAL FISCAL OFFICE CARDHOLDER.

Only the person designated by the State Agency Fiscal Director may use his or her individual P-Card for the following purchases:

- Tuition, fees, and supplies for training individuals;
- Internet, newspaper, radio, or television advertisements;
- Subscriptions to newspapers, periodicals, newsletters, or pamphlets;
- Organization membership dues;
- Charges for meeting rooms and attendant expenses in excess of two hundred dollars (\$200) per day or for more than five (5) days;

- Convention or registration fees; and
- Association entry fees.

State Agencies may request an exception from this paragraph by submitting a letter to the Statewide P-Card Program Administrator. The letter must be on Agency letterhead, include a business justification for the exception, and be signed by the Agency's Fiscal Director.

13. DECLARED EMERGENCIES AND NATURAL DISASTERS.

Tenn. Comp. R. & Regs. 0690-03-01-.05(5) authorizes the CPO or delegated State Agencies to forego standard procurement requirements to meet emergencies arising from unforeseen causes. If an emergency affecting the health or safety of any person occurs when CPO personnel are not available, any State Agency is authorized to contract for necessary goods or services and obtain "after the fact" emergency purchase authorization. All requests for "after the fact" emergency purchase authorization shall comply with CPO rules, policies, and procedures.

14. ENCOURAGED USE OF P-CARDS.

14.1. Statewide and Agency Term Contracts.

As provided in Section 10.4 of the CPO's *Procurement Procedures Manual*, State Agencies are required to use Statewide Contracts for procuring goods or services to the extent the needed goods or services are available on a Statewide Contract. State Agencies may not procure goods or services available on a Statewide Contract from any other source without prior approval from the Chief Procurement Officer or designee. State Agencies are encouraged to utilize P-Cards for purchasing goods or services on Agency Term Contracts and Statewide Contracts.

14.2. Utilization of Diversity Vendors.

Cardholders are strongly encouraged to make authorized purchases from vendors certified by the Governor's Office of Diversity Business Enterprise.

15. SURCHARGES AND CONVENIENCE FEES.

Many vendors charge a "credit card processing fee" or "convenience fee" for accepting credit cards including the P-Card. These types of fees are strictly regulated by Visa and MasterCard.

According to Visa's "Card Acceptance and Chargeback Management Guidelines for Merchants" available on Visa's website, credit card surcharges are allowed but cannot be more than the amount the vendor's bank charges them for processing the transaction. Also, the vendor cannot charge both a surcharge and a convenience fee, explained below.

The maximum allowable surcharge is four percent (4%) and must be shown as a line item on the detailed invoice or receipt. Whenever a Vendor charges a surcharge, the following rules apply:

- The Vendor must have provided Visa and its bank at least thirty (30) days notification of their intent to impose surcharges;
- The fact that the Vendor imposes surcharges must be clearly posted on the door and at point-of-sale for physical locations and on web sites when sales are made via the internet; and

- The Vendor must inform the Cardholder or User:
 - Of the exact percent of the surcharge;
 - That the Vendor is the entity assessing the surcharge;
 - That surcharges are applicable on credit transactions only; and
 - That the surcharge is not greater than what the vendor pays to Visa.

For any Transaction where the Vendor has charged a surcharge, a Cardholder or User must obtain a copy of the acknowledgement letter sent to the Vendor by Visa authorizing the Vendor to impose a surcharge. A copy on file with the State Agency P-Card Program Coordinator will be sufficient.

Failure to provide required evidence of insurance coverage shall be a material breach of this Contract.~~

The COI shall be on a form approved by the Tennessee Department of Commerce and Insurance ("TDCI") and signed by an authorized representative of the insurer. The COI shall list each insurer's national association of insurance commissioners (also known as NAIC) number or federal employer identification number and list the State of Tennessee, Risk Manager, 312 Rosa L. Parks Ave., 3rd floor Central Procurement Office, Nashville, TN 37243 in the certificate holder section. At any time, the State may require the Contractor to provide a valid COI detailing coverage description; insurance company; policy number; exceptions; exclusions; policy effective date; policy expiration date; limits of liability; and the name and address of insured. The Contractor's failure to maintain or submit evidence of insurance coverage is considered a material breach of this Contract.

If the Contractor desires to self-insure, then a COI will not be required to prove coverage. In place of the COI, the Contractor must provide a certificate of self-insurance or a letter on the Contractor's letterhead detailing its coverage, liability policy amounts, and proof of funds to reasonably cover such expenses. Compliance with Tenn. Code Ann. § 50-6-405 and the rules of the TDCI is required for the Contractor to self-insure workers' compensation.

All insurance companies must be: (a) acceptable to the State; (b) authorized by the TDCI to transact business in the State of Tennessee; and (c) rated A-VII or better by A. M. Best. Also, all policies shall contain an endorsement for a waiver of subrogation in favor of the State.

The deductible and any premiums are the Contractor's sole responsibility. Any deductible over fifty thousand dollars (\$50,000) must be approved by the State. The Contractor agrees that the insurance requirements specified in this Section do not reduce any liability the Contractor has assumed under this Contract including any indemnification or hold harmless requirements.

The State agrees that it shall give written notice to the Contractor as soon as practicable after the State becomes aware of any claim asserted or made against the State, but in no event later than thirty (30) calendar days after the State becomes aware of such claim. The failure of the State to give notice shall only relieve the Contractor of its obligations under this Section to the extent that the Contractor can demonstrate actual prejudice arising from the failure to give notice. This Section shall not grant the Contractor or its insurer, through its attorneys, the right to represent the State in any legal matter, as the right to represent the State is governed by Tenn. Code Ann. § 8-6-106.

All coverage required shall be on a primary basis and noncontributory with any other insurance coverage or self-insurance carried by the State. The State reserves the right to amend or require additional endorsements, types of coverage, and higher or lower limits of coverage depending on the nature of the work. Purchases or contracts involving any hazardous activity or equipment, tenant, concessionaire and lease agreements, alcohol sales, cyber-liability risks, environmental risks, special motorized equipment, or property may require customized insurance requirements (e.g. umbrella liability insurance) in addition to the general requirements listed below.

The Contractor shall obtain and maintain, at a minimum, the following insurance coverages and policy limits.

Commercial General Liability Insurance

- The Contractor shall maintain commercial general liability insurance, which shall be written on an Insurance Services Office, Inc. (also known as ISO) occurrence form (or a substitute form providing equivalent coverage) and shall cover liability arising from property damage, premises/operations, independent contractors, contractual liability, completed operations/products, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).
- The Contractor shall maintain bodily injury/property damage with a combined single limit not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate for bodily injury and property damage, including products and completed operations coverage with an aggregate limit of at least two million dollars (\$2,000,000).

- B. If the Contractor certifies that it is exempt from the requirements of Tenn. Code Ann. §§ 50-6-101 – 103, then the Contractor shall furnish written proof of such exemption for one or more of the following reasons:**

 - The Contractor is a sole proprietor;

Add the following as part of the mandatory insurance term if the Contractor will use a vehicle when providing goods or services under the Contract.

Automobile Liability Insurance

- The Contractor shall maintain automobile liability insurance which shall cover liability arising out of any automobile (including owned, leased, hired, and non-owned automobiles).

**INSURANCE PROVISIONS FOR THE FA
TEMPLATE AND EDISON
CONFIGURATOR**

CLEAN VERSION

REQUEST 1: Add the following term to Section D of the FA Template and to Edison's configurator.

D.#. Insurance. Contractor shall provide the State a certificate of insurance ("COI") evidencing the coverages and amounts specified below. The COI shall be provided ten (10) business days prior to the Effective Date and again upon renewal or replacement of coverages required by this Contract. If insurance expires during the Term, the State must receive a new COI at least thirty (30) calendar days prior to the insurance's expiration date. If the Contractor loses insurance coverage, does not renew coverage, or for any reason becomes uninsured during the Term, the Contractor shall notify the State immediately.

The COI shall be on a form approved by the Tennessee Department of Commerce and Insurance ("TDCI") and signed by an authorized representative of the insurer. The COI shall list each insurer's national association of insurance commissioners (also known as NAIC) number or federal employer identification number and list the State of Tennessee, Risk Manager, 312 Rosa L. Parks Ave., 3rd floor Central Procurement Office, Nashville, TN 37243 in the certificate holder section. At any time, the State may require the Contractor to provide a valid COI detailing coverage description; insurance company; policy number; exceptions; exclusions; policy effective date; policy expiration date; limits of liability; and the name and address of insured. The Contractor's failure to maintain or submit evidence of insurance coverage is considered a material breach of this Contract.

If the Contractor desires to self-insure, then a COI will not be required to prove coverage. In place of the COI, the Contractor must provide a certificate of self-insurance or a letter on the Contractor's letterhead detailing its coverage, liability policy amounts, and proof of funds to reasonably cover such expenses. Compliance with Tenn. Code Ann. § 50-6-405 and the rules of the TDCI is required for the Contractor to self-insure workers' compensation.

All insurance companies must be: (a) acceptable to the State; (b) authorized by the TDCI to transact business in the State of Tennessee; and (c) rated A- VII or better by A. M. Best. The Contractor shall provide the State evidence that all subcontractors maintain the required insurance or that the subcontractors are included under the Contractor's policy.

The Contractor agrees to name the State as an additional insured on any insurance policies with the exception of workers' compensation (employer liability) and professional liability (errors and omissions) ("Professional Liability") insurance. Also, all policies shall contain an endorsement for a waiver of subrogation in favor of the State.

The deductible and any premiums are the Contractor's sole responsibility. Any deductible over fifty thousand dollars (\$50,000) must be approved by the State. The Contractor agrees that the insurance requirements specified in this Section do not reduce any liability the Contractor has assumed under this Contract including any indemnification or hold harmless requirements.

The State agrees that it shall give written notice to the Contractor as soon as practicable after the State becomes aware of any claim asserted or made against the State, but in no event later than thirty (30) calendar days after the State becomes aware of such claim. The failure of the State to give notice shall only relieve the Contractor of its obligations under this Section to the extent that the Contractor can demonstrate actual prejudice arising from the failure to give notice. This Section shall not grant the Contractor or its insurer, through its attorneys, the right to represent the State in any legal matter, as the right to represent the State is governed by Tenn. Code Ann. § 8-6-106.

All coverage required shall be on a primary basis and noncontributory with any other insurance coverage or self-insurance carried by the State. The State reserves the right to amend or require additional endorsements, types of coverage, and higher or lower limits of coverage depending on the nature of the work. Purchases or contracts involving any hazardous activity or equipment, tenant, concessionaire and lease agreements, alcohol sales, cyber-liability risks, environmental risks, special motorized equipment, or property may require customized insurance requirements (e.g. umbrella liability insurance) in addition to the general requirements listed below.

The Contractor shall obtain and maintain, at a minimum, the following insurance coverages and policy limits.

Commercial General Liability Insurance

- The Contractor shall maintain commercial general liability insurance, which shall be written on an Insurance Services Office, Inc. (also known as ISO) occurrence form (or a substitute form providing equivalent coverage) and shall cover liability arising from property damage, premises/operations, independent contractors, contractual liability, completed operations/products, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).
- The Contractor shall maintain bodily injury/property damage with a combined single limit not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate for bodily injury and property damage, including products and completed operations coverage with an aggregate limit of at least two million dollars (\$2,000,000).

Workers' Compensation and Employer Liability Insurance

- A. For Contractors statutorily required to carry workers' compensation and employer liability insurance, the Contractor shall maintain:
- Workers' compensation and employer liability insurance in the amounts required by appropriate state statutes; or
 - In an amount not less than one million dollars (\$1,000,000) including employer liability of one million dollars (\$1,000,000) per accident for bodily injury by accident, one million dollars (\$1,000,000) policy limit by disease, and one million dollars (\$1,000,000) per employee for bodily injury by disease.

- B. If the Contractor certifies that it is exempt from the requirements of Tenn. Code Ann. §§ 50-6-101 – 103, then the Contractor shall furnish written proof of such exemption for one or more of the following reasons:
- The Contractor employs fewer than five (5) employees;
 - The Contractor is a sole proprietor;
 - The Contractor is in the construction business or trades with no employees;
 - The Contractor is in the coal mining industry with no employees;
 - The Contractor is a state or local government; or
 - The Contractor self-insures its workers' compensation and is in compliance with the TDCI rules and Tenn. Code Ann. § 50-6-405.

Option: Automobile Liability Insurance

Add the following as part of the mandatory insurance term if the Contractor will use a vehicle when providing goods or services under the Contract.

- If the Contract involves the provision of services by medical professionals, a policy limit not less than two million (\$2,000,000) per claim and three million dollars (\$3,000,000) in the aggregate for medical malpractice insurance.

~~Such a delegation~~ A Delegated Grant Authority may be approved when:

- The program needs and category of services are such that adequate guidelines can be developed to direct the agency in competitively ~~issuing or impartially executing~~ a number of similar ~~grants~~grant contracts; and
- The individual ~~grants~~grant contracts involved are of such uniformity ~~and standardization of processes, procedures, and contract terms~~ that ~~there is little necessity or practicality in~~ individual review ~~and approval~~ by the Central Procurement Office ~~is unnecessary and impractical~~.

A Delegated Grant Authority shall set forth all provisions, including but not limited to selection criteria, required by the Central Procurement Office rules, policies, and applicable State statutes.

No changes shall be made to the ~~approved terms and conditions of the grant form~~detailed contracts ~~included~~ within the ~~approved~~ Delegated Grant Authority without an amendment to the Authority.

5.3. Delegated Loan Authority.

A Delegated Loan Authority authorizes a State Agency to make loans and associated loan agreements for the specified program ~~that~~ are within the limits, guidelines, and conditions specified within the approved Delegated Loan Authority.

A Delegated Loan Authority shall set forth all provisions, including but not limited to selection criteria, required by the Central Procurement Office rules, policies, and applicable State statutes.

No changes shall be made to the approved loan and associated loan agreement form detailed within the Delegated Loan Authority without an amendment to the Authority.

Special Delegated Authority.

~~A Special Delegated Authority authorizes a State Agency to make agreements or payments for the specified program without individual, independent approval review, so long as all such agreements and payments are within the limits, guidelines, and conditions specified within the approved Special Delegated Authority.~~

~~A Special Delegated Authority is unique and there is not a standard application template. The application document should be drafted in consultation with Central Procurement Office staff and include selection criteria.~~

Miscellaneous Delegated Authorities.

~~Miscellaneous Delegated Authorities include Delegated No Cost Contract Authority (DN), Delegated Revenue Contract Authority (DR), Authorization to Vendor Less than \$1,000 Delegated Authority (DAV1000), Delegated Purchase Authority for Court Reporting Service (DPCR), Special Delegated Authority for Funding Awards (DA). State Agencies seeking authorizations relating to these authorities should utilize model application templates for these grants of authority. A Miscellaneous Delegated Authority requires the approval of the Chief Procurement Officer and the Comptroller of the Treasury.~~

5.4. Special Delegated Authority for Federal or State Declared Disaster.

A Special Delegated Authority for Declared Disaster is for Tennessee Emergency Management Agency (“TEMA”) use only. It authorizes TEMA to ~~issue~~ execute grant agreements related to funds awarded for the response to and recovery from a disaster formally declared by the ~~Federal~~ federal government or the Governor of Tennessee.

Emergency Purchase Authority

6. Delegated State Agency Requirements and Responsibilities.

~~The Chief Procurement Officer solely may delegate Emergency Purchase Authority to a State Agency to meet emergencies arising from any unforeseen cause, including, but not limited to, delays by contractors, delays in transportation, unanticipated work volume, and acts of God. Such delegations will be made when the emergency occurs outside of regular State business hours, and must not conflict with an activated Tennessee Emergency Management Agency (TEMA) declared emergency. Delegated authority applications must be signed by the State Agency head or authorized designee. Unless purchases, contracts, grant contracts, or loan agreements made or entered into under an approved delegated authority application are authorized by the State Agency head or his or her designee, they are null and void.~~

~~Delegated State Agencies may procure goods or services via the Emergency Purchase method in accordance with applicable rules, policies, and procedures. State agencies should make Emergency Purchases through the Edison system and submit in writing to the Central Procurement Office the following information as soon as practicable:~~

- ~~The circumstances leading to the Emergency Purchase;~~
- ~~The procurement-related actions taken in response to the emergency, including procurement methods used;~~
- ~~A complete list of goods or services procured, including prices paid and total purchase amount; and~~
- ~~As applicable, additional purchases expected, including expected price and total purchase amount, as of the time of the report.~~

Allowable Actions Under Delegated Authority.

~~Purchase Orders and Contracts \$50,000 and below:~~

~~Delegated State Agencies may procure goods and services valued over \$10,000 and up to \$50,000 via the informal written, verbal or telephone quotation method in accordance with applicable rules, policies, and procedures. Purchase Orders and Contracts, within Delegated State Agency authority, are subject to the final approval of the Central Procurement Office. Purchase Orders or Contracts may not be artificially divided by a Delegated State Agency in order to make the purchase amount fall below limitations established in rule or policy. All contracts procured under a Delegated Authority shall comply with Central Procurement Office Policy.~~

~~**Delegated State Agency Responsibilities and Revocation of Delegated Authority.** All purchases, contracts, grant contracts, and loans made or entered into under a delegated authority are subject to applicable Central Procurement Office rules, policies and procedures. The Delegated State Agency must use the current Central Procurement Office templates and models and maintain a procurement file for all purchases, contracts, grant contracts, and loans made or entered into under a delegated authority. All relevant documentation must also be maintained in Edison as appropriate.~~

~~The Delegated State Agency is responsible for ensuring that it does not exceed its Delegated Authority the scope of its authority delegation and that all conditions of the Delegated Authority approved delegated authority application are met. Further, the head of the Delegated State Agency is responsible for ensuring all staff exercising such Delegated Authority carrying out the terms of the approved delegated authority application are properly authorized and complete all required training by the Central Procurement Office trained to perform the assigned necessary tasks. The exercise of the Delegated Authority delegated authority shall not violate or circumvent State state or Federal federal law, executive orders, appropriations, or Central Procurement Office rule and policy. state rules, policies, and procedures.~~

~~Delegated State Agencies must develop written procedures for implementing the Delegated Authority. They approved delegated authority applications. A Delegated State Agency's procedures must comply with applicable Central Procurement Office rules, policies, and procedures and may contain more restrictive requirements, but they must conform to the provisions of Central Procurement Office rule and policy and shall be available for public inspection and to the Central Procurement Office upon request than those specified by the Central~~

Procurement Office. The Chief Procurement Officer may revoke a Delegated Authority at any time, at his or her sole discretion. The Chief Procurement Officer ~~will~~shall notify the Comptroller of the Treasury in writing of any such revocation.

Limitations.

~~Agencies shall procure a good or service available on a Statewide or Agency Term Contract through such contract, rather than a Delegated Purchase Authority. Delegated Authority granted under this policy does not substitute for other approvals as may be required by applicable statute, rule or policy. Pre-approval~~Approvals or endorsements may be required for certain contracts depending upon the nature of the proposed contract scope of service. The Delegated State Agency must obtain signed approval or endorsement documentation ~~as~~and submit it with the delegated authority application to the Central Procurement Office and Comptroller of the Treasury. Required approvals and endorsements are indicated in the table below.:

Central Procurement Office
Delegation of Authority Policy**

Effective: August 22, 2013
Last Amended: **DATE**
Prepared by: The Central Procurement Office of the State of Tennessee

1. Purpose.

To establish conditions under which the Chief Procurement Officer, with the approval of the Comptroller of the Treasury, may delegate authority to State Agencies to issue, execute, and manage contracts, purchases, grant contracts, or loans.

2. Scope.

This policy applies to all contracts, purchases, grant contracts, or loans that are issued pursuant to the delegated authority application process.

3. Definitions.

For purposes of this policy, the following terms shall have the meanings described below:

“Agency” - means each State board, commission, committee, department, officer, or any other unit of State government.

“Contract” - means any duly authorized and legally binding written agreement or purchase order for goods or services by and between the State of Tennessee and any person or any separate entity with the independent legal capacity to contract and sue and be sued.

“Central Procurement Office” - means the State office established and empowered by Tenn. Code Ann. § 4-56-104.

“Chief Procurement Officer” - means the official as defined by Tenn. Code Ann. § 4-56-104.

4. Delegated Authority - Generally.

In no event shall a State Agency initiate a purchase, contract, grant contract, or loan agreement under a delegated authority until the Chief Procurement Officer and Comptroller of the Treasury approve the delegated authority application. An approved delegated authority application shall remain in force and effect for no more than one (1) fiscal year unless the delegated authority application involves federal funds and the term of the federal grant award extends beyond one (1) fiscal year. In such event, the Chief Procurement Officer and Comptroller of the Treasury may approve a delegated authority application for as long as the federal grant award’s term. Amendments to a delegated authority must use the Delegated Authority Amendment Model prescribed by the Central Procurement Office and must be approved by the Chief Procurement Officer and the Comptroller of the Treasury. An approved delegated authority application may be revoked at any time if the Delegated State Agency fails to comply with State or federal law, or with Central Procurement Office rules, policies, and procedures.

5. Delegated Authority Types Covered by This Policy.

This policy applies to any Delegated Authority, Delegated Grant Authority, Delegated Loan Authority and Special Delegated Authority for a Declared Disaster.

5.1. *Delegated Authority.*

A Delegated Authority authorizes a State Agency to purchase goods or services or execute contracts for the specified program within the limits, guidelines, and conditions specified within the approved Delegated Authority. Use of a Delegated Authority is appropriate when the Delegated Authority's maximum liability is greater than fifty thousand dollars (\$50,000) or the goods or services being purchased are inappropriate for the use of the State Agency's local purchase authority. State Agencies shall not use a Delegated Authority to procure goods or services that are available on a Statewide or Agency Term Contract.

5.1.1. A Delegated Authority for purchases may be approved when:

- The need for goods or services is sporadic, and an advance determination of the volume, delivery, or exact costs of goods or services needed is not possible;
- It is impractical to award one or more fee-for-service contracts for the category of goods or services needed with compensation based upon unit or milestone rates;
- The program needs and general categories of goods or services are such that adequate guidelines can be developed to direct the State Agency in competitively making each purchase;
- All goods or services purchased can be delivered or performed in ninety (90) days or fewer or represent a single transaction, as provided in Central Procurement Office Policy 2013-004, Section 4.3.2;
- The procurement terms, conditions, and criteria to be followed by the agency in making each purchase will be of such uniformity that the Central Procurement Office's individual, independent, and prior approval of each purchase is unnecessary; and
- The purchases involved will be of such uniformity, volume, and pressing need that the individual approval of each purchase by the Central Procurement Office is impractical.

All purchases made under an approved Delegated Authority shall be made using purchase orders that include the terms and conditions specified in the Purchase Order Terms and Conditions Template.

5.1.2. A Delegated Authority for contracts may be approved when:

- The program needs and general categories of services are such that adequate guidelines can be developed to direct the State Agency in competitively executing a number of similar contracts;

- The individual contracts involved will be of such uniformity and standardization of processes, procedures, and contract terms that individual, independent, and prior approval is unnecessary and impractical; and
- All individual contracts executed will create a “contractor” relationship as defined in Central Procurement Office Policy 2013-007.

5.2. *Delegated Grant Authority.*

A Delegated Grant Authority authorizes a State Agency to execute grant contracts for a particular program or programs within the limits, guidelines, and conditions specified within the approved Delegated Grant Authority.

A Delegated Grant Authority may be approved when:

- The program needs and category of services are such that adequate guidelines can be developed to direct the agency in competitively or impartially executing a number of similar grant contracts; and
- The individual grant contracts involved are of such uniformity and standardization of processes, procedures, and contract terms that individual review and approval by the Central Procurement Office is unnecessary and impractical.

A Delegated Grant Authority shall set forth all provisions, including but not limited to selection criteria, required by the Central Procurement Office rules, policies, and applicable State statutes.

No changes shall be made to the terms and conditions of the grant contracts included within the approved Delegated Grant Authority without an amendment to the Authority.

5.3. *Delegated Loan Authority.*

A Delegated Loan Authority authorizes a State Agency to make loans and associated loan agreements for the specified program that are within the limits, guidelines, and conditions specified within the approved Delegated Loan Authority.

A Delegated Loan Authority shall set forth all provisions, including but not limited to selection criteria, required by the Central Procurement Office rules, policies, and applicable State statutes.

No changes shall be made to the approved loan and associated loan agreement form detailed within the Delegated Loan Authority without an amendment to the Authority.

5.4. *Special Delegated Authority for Federal or State Declared Disaster.*

A Special Delegated Authority for Declared Disaster is for Tennessee Emergency Management Agency (“TEMA”) use only. It authorizes TEMA to execute grant agreements related to funds awarded for the response to and recovery from a disaster formally declared by the federal government or the Governor of Tennessee.

6. Delegated State Agency Requirements and Responsibilities.

Delegated authority applications must be signed by the State Agency head or authorized designee. Unless purchases, contracts, grant contracts, or loan agreements made or entered into under an approved delegated authority application are authorized by the State Agency head or his or her designee, they are null and void.

All purchases, contracts, grant contracts, and loans made or entered into under a delegated authority are subject to applicable Central Procurement Office rules, policies and procedures. The Delegated State Agency must use the current Central Procurement Office templates and models and maintain a procurement file for all purchases, contracts, grant contracts, and loans made or entered into under a delegated authority. All relevant documentation must also be maintained in Edison as appropriate.

The Delegated State Agency is responsible for ensuring that it does not exceed the scope of its authority delegation and that all conditions of the approved delegated authority application are met. Further, the head of the Delegated State Agency is responsible for ensuring all staff carrying out the terms of the approved delegated authority application are properly authorized and trained to perform the necessary tasks. The exercise of delegated authority shall not violate or circumvent state or federal law, executive orders, appropriations, or state rules, policies, and procedures.

Delegated State Agencies must develop written procedures for implementing approved delegated authority applications. A Delegated State Agency’s procedures must comply with applicable Central Procurement Office rules, policies, and procedures and may contain more restrictive requirements than those specified by the Central Procurement Office. The Chief Procurement Officer may revoke a Delegated Authority at any time, at his or her sole discretion. The Chief Procurement Officer shall notify the Comptroller of the Treasury in writing of any such revocation.

Approvals or endorsements may be required for certain contracts depending upon the nature of the proposed contract scope of service. The Delegated State Agency must obtain signed approval or endorsement documentation and submit it with the delegated authority application to the Central Procurement Office and Comptroller of the Treasury. Required approvals and endorsements are indicated in the table below.

**DELEGATED AUTHORITY (DA)
TEMPLATE**

REDLINE VERSION

DELEGATED AUTHORITY (DA) TEMPLATE

This template prescribes the format and content for a Delegated Authority (“DA”) application. Procurement professionals should use this template to request authority either to: (1) purchase goods or services (“purchase order delegation”), or (2) execute contracts (“contract delegation”) as specified without additional, individual, independent approval. Use of this template is appropriate when the DA’s maximum liability is greater than fifty thousand dollars (\$50,000) or the goods or services being purchased are inappropriate for use of the Agency’s local purchase authority. Procurement professionals shall use this template to facilitate approval of a DA for a maximum period of one (1) fiscal year unless the DA application involves federal funds and the term of the federal grant award extends beyond one (1) fiscal year. In such event, the Chief Procurement Officer and Comptroller of the Treasury may approve a DA application for as long as the federal grant award’s term. Any modifications to this template other than those identified in the instructions require an approved Rule Exception Request (“RER”).

A purchase order delegation is appropriate only when the goods or services will be provided within ninety (90) days or less or represent a single transaction, as provided in CPO Policy 2013-004, Section 4.3.2. If a purchase order delegation is not appropriate, use this template for contract delegation authority. For a DA requesting contract delegation authority, the applicant State Agency shall attach the entire proposed contract or contracts. If the proposed contracts include modifications or additions to the Central Procurement Office’s contract templates or models, the State Agency shall redline the modifications or additions, and include the redlined document as an attachment. An approved Rule Exception Request (“RER”) is required when proposed contracts involve modifications or additions to a template.

Procurement professionals shall obtain all required signatures and submit the DA for Central Procurement Office (“CPO”) approval no less than thirty (30) days before the Effective Date. If a signed DA is not submitted to the CPO at least thirty (30) days prior to the Effective Date, then the CPO may request that the DA be resubmitted with a new Effective Date or request that the procurement professional provide a written explanation as to why the DA was submitted less than thirty (30) days before the Effective Date. In no event shall the applicant State Agency submit a purchase order or execute a contract under this DA before the Effective Date.

Procurement professionals should complete form fields and follow, replace, or otherwise address red instructional text (e.g., *State Agency Name*, *amount*, *will/will not*) as indicated and with conforming font and color.

All purchases under an approved DA shall be made using purchase orders in compliance with CPO Policy 2013-004, Section 4.3.2. Where a contract is required under Policy 2013-004, Section 4.3.2., the State Agency shall attach a copy of the proposed contract that will be used under the DA. If the proposed contract includes modifications or additions to the CPO's contract templates or models, the State Agency shall redline the modifications or additions and include the redlined document as an attachment. **DELEGATED AUTHORITY (DA)
TEMPLATE**

CLEAN VERSION

DELEGATED AUTHORITY (DA) TEMPLATE

This template prescribes the format and content for a Delegated Authority (“DA”) application. Procurement professionals should use this template to request authority either to: (1) purchase goods or services (“purchase order delegation”), or (2) execute contracts (“contract delegation”) as specified without additional, individual, independent approval. Use of this template is appropriate when the DA’s maximum liability is greater than fifty thousand dollars (\$50,000) or the goods or services being purchased are inappropriate for use of the Agency’s local purchase authority. Procurement professionals shall use this template to facilitate approval of a DA for a maximum period of one (1) fiscal year unless the DA application involves federal funds and the term of the federal grant award extends beyond one (1) fiscal year. In such event, the Chief Procurement Officer and Comptroller of the Treasury may approve a DA application for as long as the federal grant award’s term. Any modifications to this template other than those identified in the instructions require an approved Rule Exception Request (“RER”).

A purchase order delegation is appropriate only when the goods or services will be provided within ninety (90) days or less or represent a single transaction, as provided in CPO Policy 2013-004, Section 4.3.2. If a purchase order delegation is not appropriate, use this template for contract delegation authority. For a DA requesting contract delegation authority, the applicant State Agency shall attach the entire proposed contract or contracts. If the proposed contracts include modifications or additions to the Central Procurement Office’s contract templates or models, the State Agency shall redline the modifications or additions, and include the redlined document as an attachment. An approved Rule Exception Request (“RER”) is required when proposed contracts involve modifications or additions to a template.

Procurement professionals shall obtain all required signatures and submit the DA for Central Procurement Office (“CPO”) approval no less than thirty (30) days before the Effective Date. If a signed DA is not submitted to the CPO at least thirty (30) days prior to the Effective Date, then the CPO may request that the DA be resubmitted with a new Effective Date or request that the procurement professional provide a written explanation as to why the DA was submitted less than thirty (30) days before the Effective Date. In no event shall the applicant State Agency submit a purchase order or execute a contract under this DA before the Effective Date.

Procurement professionals should complete form fields and follow, replace, or otherwise address red instructional text (e.g., *State Agency Name*, *amount*, *will/will not*) as indicated and with conforming font and color.

COVER SHEET

Complete summary cover sheet fields as indicated within the template.

- a PDF copy of the previously approved DA if a DA with the same or a similar purpose to the proposed DA was previously approved; and
- a PDF copy of any necessary RERs.

REDLINE VERSION

DELEGATED GRANT AUTHORITY (DG) TEMPLATE

This template prescribes the format and content for the Delegated Grant Authority application ("DGA"). Approval of the DGA confers delegated authority to execute grant contracts for an individual program without additional, individual, independent approval.

Procurement professionals shall adhere to this template and attach a copy of the proposed grant contract(s) that will be used under the DGA. If the proposed grant contract or contracts include modifications or additions to grant contract templates or models, redline the modifications or additions in the attachment(s) and include an approved Rule Exception Request ("RER").

Do NOT route a DGA for approval after its begin date. Any DGA routed for approval after its begin date is subject to disapproval or may be approved with a begin date later than the one proposed. Agencies may obtain a begin date that occurs before the routing date with an approved RER.

~~A DGA will ONLY be approved for a period of either all or some part of one (1) fiscal year. An approved DGA shall remain in force and effect for no more than one (1) fiscal year unless the DGA involves federal funds and the term of the federal grant award extends beyond one (1) fiscal year. In such event, the Chief Procurement Officer and Comptroller of the Treasury may approve a DGA application for as long as the federal grant award's term.~~ However, it may specify a contract period of up to five (5) years for any grant contract executed under the delegated authority. No single grant contract executed under a DGA shall have a maximum liability that exceeds five million dollars (\$5,000,000).

Procurement professionals should complete template fields and follow, replace, or otherwise address red instructional text (e.g., *State Agency Name*, *amount*, *will/will not*) as indicated.

**DELEGATED GRANT AUTHORITY (DG)
TEMPLATE**

CLEAN VERSION

DELEGATED GRANT AUTHORITY (DG) TEMPLATE

This template prescribes the format and content for the Delegated Grant Authority application ("DGA"). Approval of the DGA confers delegated authority to execute grant contracts for an individual program without additional, individual, independent approval.

Procurement professionals shall adhere to this template and attach a copy of the proposed grant contract(s) that will be used under the DGA. If the proposed grant contract or contracts include modifications or additions to grant contract templates or models, redline the modifications or additions in the attachment(s) and include an approved Rule Exception Request ("RER").

Do NOT route a DGA for approval after its begin date. Any DGA routed for approval after its begin date is subject to disapproval or may be approved with a begin date later than the one proposed. Agencies may obtain a begin date that occurs before the routing date with an approved RER.

An approved DGA shall remain in force and effect for no more than one (1) fiscal year unless the DGA involves federal funds and the term of the federal grant award extends beyond one (1) fiscal year. In such event, the Chief Procurement Officer and Comptroller of the Treasury may approve a DGA application for as long as the federal grant award's term. However, it may specify a contract period of up to five (5) years for any grant contract executed under the delegated authority. No single grant contract executed under a DGA shall have a maximum liability that exceeds five million dollars (\$5,000,000).

Procurement professionals should complete template fields and follow, replace, or otherwise address red instructional text (e.g., *State Agency Name*, *amount*, *will/will not*) as indicated.

COVER SHEET

Complete summary cover sheet fields as indicated within the template.

<i>Agency Tracking #</i>	unique tracking number comprised of: 5-digit business unit # + unique, 5-digit # example: 31707-12345
<i>Funding</i>	amounts by fiscal year and funding source with row and column totals; contract maximum liability MUST equal the sum of the TOTAL Contract Amount column (i.e., the grand total amount for all fiscal years & all sources of funding)

A summary cover sheet properly completed and in accordance with the template is required for each grant contract executed under the DGA.

APPROVALS

Affix a signature by the Grantor State Agency head or an authorized designee. Prepare the Contract Entry Record for the Delegated Grant Authority as required by the Edison system. Then, scan the signed document with the completed summary cover sheet to a PDF file and attach the digital copy to the Edison record. Attach any supporting documentation in PDF format to the Edison record including:

- a PDF copy of the previously approved DGA if a DGA with the same or similar purpose to one proposed was approved in a prior year
- a PDF copy of any necessary RERs

Submit the Edison Contract Entry Record with the proposed DGA for approval routing.

REDLINE VERSION

AMEND-D MODEL DELEGATED AUTHORITY APPLICATION AMENDMENT TEMPLATE

This model prescribes the format and content for a delegated authority amendment.

Documents of this type must adhere to this model (or the model version dated 7-1-11) with revisions only as instructions permit. Insignificant deviations from this model, while always subject to disapproval, will, typically, not require a specific rule exception unless an oversight examiner requires separate documentation in a particular instance. If a formal rule exception request is not required, oversight approval of the document will constitute selected rule exception(s) as may be necessary.

NOTICE: A revision of the total "maximum liability" is the ONLY reason that a delegated authority should be amended. An amendment to change the scope or any other provisions of a delegated authority or its attachments will only be considered on a limited, case-by-case basis, and such changes are likely to necessitate a replacement or additional delegated authority. Accordingly, submit any such proposed amendment by e-mail attachment to the OCR mailbox (Agsprs.Agsprs@tn.gov) for pre-approval determination BEFORE submitting it for Edison approval routing.

Central Procurement Office Policy Number 2013-006 requires approvals or endorsements for certain contracts depending on the contract's Scope. A change in Scope may require re-approval or re-endorsement by the Office for Information Resource, Tennessee Department of Human Resources, or other State entity. If re-approval or re-endorsement is required, submit documentation of the approval or endorsement with the amendment.

Complete form fields and follow, replace, or otherwise address red instructional text (e.g., State Agency Name, amount, will/ or will not) as indicated and with conforming font and color.

Complete summary cover fields as indicated within the template and the following field directions.

MODEL**

REDLINE VERSION

INTERAGENCY AGREEMENT – GRANT MODEL

This model provides the format and content for drafting a cost-reimbursement grant agreement between (1) two TN Tennessee state agencies, neither of which has the separate legal capacity to contract or sue and be sued. (This model is optional with respect to; (2) a Tennessee state agency and a member of the University of Tennessee and/or Board of Regents colleges and universities), educational systems. All agreements must comply with the requirements of the Central Procurement Policy Number 2013-007, Office's Grant Management and Subrecipient Monitoring Policy and Procedures and with the Office of Management and Budget (OMB) Circular A-133, (Policy Number 2013-007) and the U.S. OMB's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, as applicable. ~~Complete form fields and follow, replace, or otherwise address red instructional text (e.g., State Agency Name, amount, will/will not) as indicated and with conforming font and color.~~

Grant administrators should complete text fields and follow, replace, or otherwise address red instructional text (e.g., State Agency Name, amount, will/will not) as indicated with appropriate font and color. GRANT AGREEMENT COVER SHEET

~~Complete the Grant Agreement Cover Sheet fields as indicated within the model and the following field directions.~~

~~Agency Tracking # unique tracking number comprised of: 5-digit business unit # + unique, 5-digit #
example: 31707-12345~~

agreement maximum liability MUST equal the sum of the TOTAL Amount column (i.e., the grand total amount for all fiscal years & all sources of funding)~~

~~A Grant Agreement Cover Sheet properly completed and in accordance the model is required for every copy of the agreement document.~~

PREAMBLE

~~Add additional information only if necessary.~~

A. SCOPE OF SERVICES

~~It is the responsibility of the grantor state agency to adequately draft a scope of services. Oversight examiners will rely on the grantor state agency head's signature on the agreement document as certification and assurance that the proposed scope of services is clear and correct, adequate for all legal and enforcement purposes, and sufficiently detailed to ensure grantor state agency accountability and results.~~

~~Do NOT include payment terms in the scope of services.~~

~~Draft the scope of services to clearly, specifically, and definitively detail duties, responsibilities, and associated performance requirements and describe, in detail, the service and deliverable requirements and all related specifications.~~

~~Option: Grant Proposal Attachment~~

It is **NOT** acceptable to attach the associated grant proposal to the **grant** in lieu of a properly drafted scope of services. Proposals for funding are **NOT** adequately definitive to stand alone as the description of **grantor state agency** duties and responsibilities or performance requirements.

To attach an associated grant proposal to the **agreement** in support of a properly drafted **scope of service**, use the following optional section.

A.#. ~~Incorporation of Additional Documents. Each of the following documents is included as a part of this Grant Agreement by reference or attachment. In the event of a discrepancy or ambiguity regarding the Grantee's duties, responsibilities, and performance hereunder, these items shall govern in order of precedence below:~~

- a. ~~this Grant Agreement document with any attachments or exhibits (excluding the items listed at subsections b. and c., below);~~
- b. ~~the State grant proposal solicitation as may be amended, if any;~~
- c. ~~the Grantee's proposal (Attachment Reference) incorporated to elaborate supplementary scope of services specifications.~~

B. ~~TERM OF AGREEMENT~~

Do NOT route an agreement for approval after the Effective Date.

~~Draft the agreement with an appropriate, definitive, and complete agreement period not to exceed the five (5) year maximum permitted by Central Procurement Office rules.~~

Option: Term Renewal or Extension

To reserve the right to extend the **Grant Contract's Term** beyond the original period, **change the designation of the paragraph under B. to B.1. and add one or both of the following sections, revising the length of the extension period(s) as appropriate.**

B.#. ~~Renewal Options. This Grant Contract may be renewed upon satisfactory completion of the Term. The State reserves the right to execute up to number (#) renewal options under the same terms and conditions for a period not to exceed twelve (12) months each by the State, at the State's sole option. In no event, however, shall the maximum Term, including all renewals or extensions, exceed a total of sixty (60) months.~~

B.#. ~~Term Extension. It is understood and agreed that the State may extend the Term an additional period of time, not to exceed one hundred eighty (180) days beyond the expiration date of this Grant Contract, under the same terms and conditions. In no event, however, shall the maximum Term, including all extensions or renewals, exceed a total of sixty (60) months.~~

C. ~~PAYMENT TERMS AND CONDITIONS~~

~~Revise Payment Terms and Conditions sections only as provided in the instructions.~~

Payment Methodology

~~Subject to approval consideration on a case-by-case basis considering the amount of the advance payment, the scope of service, and the grantee, options below permit partial, periodic, and advance payments. Generally, a provision for an advance payment will only be approved in a grant with a government or non-profit entity.~~

~~The Comptroller's Procurement Compliance Office requires written justification for an advance payment provision of any type.~~

Option: Partial Advance Payment

To effect a partial advance payment, replace the section with the following:

~~C.3. Payment Methodology. The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the maximum liability established in section C.1. The amount of Written Dollar Amount (\$Number) shall be paid to the Grantee in advance upon approval of this Grant Agreement. Then, upon progress toward the completion of the work, as described in section A of this Grant Agreement, the Grantee shall submit invoices for payment prior to any additional reimbursement of allowable costs. The total of all payments to the Grantee shall not exceed the maximum liability of this Grant Agreement.~~

Option: Periodic Advance Payment

To effect periodic advance payments, (1) Replace the section with the following:

~~C.3. Payment Methodology. The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the maximum liability established in section C.1. The amount of Written Dollar Amount (\$Number) shall be paid to the Grantee in advance upon approval of this Grant Agreement and on Date(s) on which the Grantor State Agency will make advance payment(s). The total of said payments shall not exceed the maximum liability of this Grant Agreement.~~

(2) Replace the first paragraph of the Disbursement Reconciliation and Close Out section with the following (which may be further revised to require more frequent grant disbursement reconciliation reports):

~~C.#. Disbursement Reconciliation and Close Out. The Grantee shall submit a grant disbursement reconciliation report within sixty (60) calendar days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency (and include, as applicable, documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations").~~

Option: Total Advance Payment

To effect a total advance payment: (1) Replace the section with the following:

~~C.3. Payment Methodology. The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the maximum liability established in section C.1. Payment to the Grantee shall be a lump sum made in advance upon approval of this Grant Agreement.~~

(2) Replace the first paragraph of the Disbursement Reconciliation and Close Out section with the following:

~~C.#. Disbursement Reconciliation and Close Out. The Grantee shall submit a grant disbursement reconciliation report within sixty (60) calendar days of the Grant Agreement end date and in form and substance acceptable to the State (and include, as applicable, documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations").~~

Budget Line Items

The Budget Line Items provision should **NOT** be amended after agreement approval.

Revise line item variance amount as appropriate and up to the maximum of twenty percent (20%).

Option: NO Line-Item Variance

Replace the section with the following alternative as appropriate.

~~C.5. Budget Line items. Expenditures, reimbursements, and payments under this Grant Agreement shall adhere to the Grant Budget. Reimbursable expenditures may NOT vary from the Grant Budget line item amount(s) detailed. The Grant Budget is incorporated herein as though set forth verbatim.~~

Disbursement Reconciliation and Close Out

Revise the 1st paragraph of the section, as necessary, to require additional grant disbursement reconciliation reports.

Option: Grantee Match Requirement

If the Grant Budget details a grantee match requirement (in which the maximum total amount reimbursable by the state under the grant will be reduced by the amount of any Grantee failure to meet the match requirement), replace the section with the following (revising the maximum number of days to no less than 30).

- ~~C.#. — Disbursement Reconciliation and Close Out. The Grantee shall submit any final invoice and a grant disbursement reconciliation report within sixty (60) calendar days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency.~~

- ~~ii. — The final grant disbursement reconciliation report shall specifically detail the exact amount of any Grantee failure to meet a Match Requirement, and the maximum total amount reimbursable by the Grantor State Agency pursuant to this Grant Agreement, as detailed by the Grant Budget column "Grant Agreement," shall be reduced by the amount that the Grantee failed to contribute to the Total Project as budgeted.~~
- ~~b. — If total disbursements by the Grantor State Agency pursuant to this Grant Agreement exceed the amounts permitted by the section C, payment terms and conditions of this Grant Agreement (including any adjustment pursuant to subsection a.ii. above), the Grantee shall refund the difference to the Grantor State Agency. The Grantee shall submit said refund with the final grant disbursement reconciliation report.~~
- ~~c. — The Grantor State Agency shall not be responsible for the payment of any invoice submitted after the grant disbursement reconciliation report. The Grantor State Agency will not deem any Grantee costs submitted for reimbursement after the grant disbursement reconciliation report to be allowable and reimbursable by the Grantor State Agency, and such invoices will NOT be paid.~~
- ~~d. — The Grantee's failure to provide a final grant disbursement reconciliation report as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Agreement, and the Grantee shall be required to refund any and all payments by the Grantor State Agency pursuant to this Grant Agreement.~~
- ~~e. — The Grantee must close out its accounting records at the end of the agreement period in such a way that reimbursable expenditures and revenue collections are NOT carried forward.~~

"Equipment" shall be defined as an article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds \$5,000.00.~~

~~As authorized by the provisions of the terms of the Tennessee Uniform Commercial Code— Secured Transaction, found at Title 47, Chapter 9 of the *Tennessee Code Annotated*, and the provisions of the Tennessee Motor Vehicle Title and Registration Law, found at Title 55, Chapter 1 of the *Tennessee Code Annotated*, an intent of this Grant document and the parties hereto is to create and acknowledge a security interest in favor of the Grantor State Agency in the equipment and/or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant document. A further intent of this Grant document is to acknowledge and continue the security interest in favor of the Grantor State Agency in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program's prior year Grants between the Grantor State Agency and the Grantee.~~

~~The Grantee hereto grants the Grantor State Agency a security interest in said equipment. The Grantee agrees that the Grantor State Agency may file this Grant Agreement or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the Grantor State Agency, upon the Grantor State Agency's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Agreement in such form as the Grantor State Agency may require to perfect a security interest with respect to said equipment. Without the prior written consent of the Grantor State Agency, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Agreement, including the covenants to pay when due all sums secured by this Grant Agreement, the Grantor State Agency shall have the remedies of a secured party under the~~

~~Uniform Commercial Code and, at the Grantor State Agency's option, may also invoke the remedies herein provided.~~

The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.~~

~~The Grantee shall submit its inventory control report of all equipment purchased with funding through this agreement within thirty (30) days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. GRANT BUDGET

ALL Grant Budgets must be type-written and mathematically correct in every aspect.

Each Grant Budget page must be numbered consecutively.

The Grant Agreement column total must equal the **maximum liability of the grant**.

Line Item funding must comply with the Expense Object Line Item Category Definitions provided by F&A Accounts Policy 03, Appendix A (which is posted on the Internet at:

<http://www.state.tn.us/finance/act/documents/policy3.pdf>). Budget line items and the definitions above have legal, audit, and federal funding implications, and grantor state agency staff are solely responsible for whether appropriate line items are funded in accordance with the scope of service and the definitions set out by F&A Accounts Policy 03.

In line items that **WILL BE FUNDED**, replace the zeros ("0.00") associated with each line item as appropriate. If a line item will **NOT** be funded, leave the associated, "0.00" dollar amount.

Grant Budget Line Item Detail.

These instructions do **NOT** preclude adding Line Item Detail (and associated requirements) for other line items, provided that the additional detail is clear and mathematically correct.

Delete the entire Grant Budget Line Item Detail page if **NONE** of the following five line items, which requires detail, is funded: Professional Fee, Grant & Award; Interest; Depreciation; Other Non-Personnel; Capital Purchase.

For each line item requiring detail that is funded by the budget, complete the appropriate line item detail box.

Delete the line item detail box for each of the line items that is **NOT** funded.

Do **NOT** draft the Grant Budget Line Item Detail to describe a line item only as "contracts," "contracted services," "other," "professional services," or "miscellaneous."

Multiple Grant Budget Periods.

If a multi-year grant is to be written such that funding is restricted on an annual basis, **such** must be reflected in the **grant budget** by means of repeated use of the model grant budget pages, numbered consecutively, detailing funding information for consecutive period of applicability. If a grant budget attachment **does include** multiple pages respectively applicable to consecutive periods of applicability, a "roll-up" budget page totaling all lines for all periods is **NOT** required. However, the sum of all totals must agree with the **grant maximum liability and any other relevant agreement provisions**.

Option: Grant Budget Grantee Match Requirement

PREAMBLE

Add additional information only if necessary.

A. SCOPE OF SERVICES AND DELIVERABLES

It is the responsibility of the Grantor State Agency to adequately draft the Scope. Oversight examiners will rely on the Grantor State Agency head's signature on the Grant Agreement as certification and assurance that the Scope is clear, correct, and sufficiently detailed to ensure Grantee accountability and results.

Do not include payment terms in the Scope.

Draft the Scope to clearly, specifically, and definitively detail duties, responsibilities, and associated performance requirements and describe, in detail, the service and deliverable requirements and all related specifications.

Option: Grant Proposal Attachment

It is not acceptable to attach the associated grant proposal to the Grant Agreement in lieu of a properly drafted scope of services. Proposals for funding are not adequately definitive to stand alone as the description of Grantee duties and responsibilities or performance requirements.

To attach an associated grant proposal to the Agreement in support of a properly drafted Scope, use the following optional section.

A.#. Incorporation of Additional Documents. Each of the following documents is included as a part of this Grant Agreement by reference or attachment. In the event of a discrepancy or ambiguity regarding the Grantee's duties, responsibilities, and performance, these items shall govern in order of precedence below:

a. this Grant Agreement document with any attachments or exhibits (excluding the items listed at subsections b. and c. below);

b. the State grant proposal solicitation as may be amended, if any; and

c. the Grantee's proposal (Attachment Reference) incorporated to elaborate supplementary scope of services specifications.

Option: Federal Award Identification Worksheet

If the Grantee is a subrecipient and the Grant Agreement involves any federal funds, the Grantor State Agency must complete the federal award identification worksheet on the following page and reference the worksheet by adding the following section. Include the worksheet as an attachment to the Grant Agreement. If some federal award identification worksheet information is not available, provide as much information as is available. Grantor State Agencies should update the worksheet no more than once every six (6) months to reflect any changes. Grantor State Agencies should also send the updated worksheet to the Grantee and upload a copy into Edison.

A.#. Incorporation of Federal Award Identification Worksheet. The federal award identification worksheet, which appears as Attachment #, is incorporated in this Grant Agreement.

B. TERM OF AGREEMENT

Grant Administrators should obtain the Grantee's signature before submitting the Grant Agreement for Grantor State Agency signatures or approvals. The Grant Agreement should be drafted with an appropriate, definitive, and complete Term.

Option: Term Renewal or Extension

To reserve the right to extend the Term beyond the original period, the Grant Administrator should change the designation of the paragraph under B. to B.1. and add one or both of the following sections, revising the length of the extension periods as appropriate.

B.#. **Renewal Options.** This Grant Agreement may be renewed upon satisfactory completion of the Term. The Grantor State Agency reserves the right to execute up to number (#) renewal options under the same terms and conditions for a period not to exceed twelve (12) months each by the Grantor State Agency, at the Grantor State Agency's sole option. In no event, however, shall the maximum Term, including all renewals or extensions, exceed a total of sixty (60) months.

B.#. **Term Extension.** The Grantor State Agency may extend the Term an additional period of time, not to exceed one hundred-eighty (180) days beyond the expiration date of this Grant Agreement, under the same terms and conditions. In no event, however, shall the maximum Term, including all extensions or renewals, exceed a total of sixty (60) months.

C. PAYMENT TERMS AND CONDITIONS

Grant Administrators may revise payment terms and conditions as agreed to by the parties.

Payment Methodology

Option: Partial Advance Payment

To effect a partial advance payment, replace the section with the following.

C.3. **Payment Methodology – Partial Advance Payment.** The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the Maximum Liability established in Section C.1. The amount of Written Dollar Amount (\$Number) shall be paid to the Grantee in advance upon approval of this Grant Agreement. Upon progress toward the completion of the work, as described in Section A of this Grant Agreement, the Grantee shall submit invoices for payment prior to any additional reimbursement of allowable costs. The total of all payments to the Grantee shall not exceed the Maximum Liability of this Grant Agreement.

Option: Periodic Advance Payment

To effect periodic advance payments, (1) Replace the section with the following.

C.3. **Payment Methodology – Periodic Advance Payment.** The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the Maximum Liability established in section C.1. The amount of Written Dollar Amount (\$Number) shall be paid to the Grantee in advance upon approval of this Grant Agreement and on Dates on which the Grantor State Agency will make advance payments. The total of said payments shall not exceed the Maximum Liability of this Grant Agreement.

(2) Replace the first paragraph of the Disbursement Reconciliation and Close Out section with the following (which may be further revised to require more frequent grant disbursement reconciliation reports).

C.#. Disbursement Reconciliation and Close Out. The Grantee shall submit a grant disbursement reconciliation report within sixty (60) calendar days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency (and include, as applicable, documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations").

Option: Total Advance Payment

To effect a total advance payment: (1) Replace the section with the following.

C.3. Payment Methodology – Total Advance Payment. The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the Maximum Liability established in section C.1. Payment to the Grantee shall be a lump sum made in advance upon approval of this Grant Agreement.

(2) Replace the first paragraph of the Disbursement Reconciliation and Close Out section with the following.

C.#. Disbursement Reconciliation and Close Out. The Grantee shall submit a grant disbursement reconciliation report within sixty (60) calendar days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency (and include, as applicable, documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations").

Budget Line-Items

Option 1: Revise line-item variance amount as appropriate and up to the maximum of twenty percent (20%). Budget line-item variation of more than the specified percentage will require an amendment. The Budget Line-Items provision should not be amended after Grant Agreement approval.

Option 2: If the Grantee is allowed to request budget line-item variance exceeding twenty percent (20%) per line item, replace the Section with the following:

C.5. Grant Budget and Revisions to Grant Budget Line-Items. Expenditures, reimbursements, and payments under this Grant Agreement shall adhere to the Grant Budget.

a. The Grantee may vary from a Grant Budget line-item amount by up to twenty percent (20%) of the line-item amount, provided that any increase is off-set by an equal reduction of other line-item amounts. The net result of any changes to Grant Budget line-item amounts shall not result in funding for a line-item that was previously funded at zero dollars (\$0.00) or increase the total Grant Agreement amount detailed by the Grant Budget.

b. The Grantee may request in writing Grant Budget line-item revisions exceeding the limitation set forth in section C.6.a., above, giving full details supporting the Grantee's request, provided that such revisions do not result in funding for a line-item that was previously funded at zero dollars (\$0.00) and do not increase the total Grant Agreement amount. Grant Budget line-item revisions may not be made without prior, written approval of the State in which the terms of the approved revisions are detailed. Any approval of a revision to a Grant Budget line-item greater than twenty percent (20%) shall be superseded by a subsequent revision of the Grant Budget by Grant Agreement amendment.

c. Any increase in the total Grant Agreement amount shall require a Grant Agreement Amendment.

Option 3: No Line-Item Variance

Replace the section with the following alternative as appropriate.

C.5. Budget Line-items. Expenditures, reimbursements, and payments under this Grant Agreement shall adhere to the Grant Budget. Reimbursable expenditures may NOT vary from the Grant Budget line-item amounts.

Disbursement Reconciliation and Close Out

Revise the first paragraph of the section, as necessary, to require additional grant disbursement reconciliation reports.

Option: Grantee Match Requirement

If the Grant Budget details a grantee match requirement (in which the maximum total amount reimbursable by the Grantor State Agency under the Grant Agreement will be reduced by the amount of any Grantee failure to meet the match requirement), replace the standard Disbursement Reconciliation and Close Out term with the following and revise the maximum number of days to no less than thirty (30).

C.#. Disbursement Reconciliation and Close Out. The Grantee shall submit any final invoice and a grant disbursement reconciliation report within sixty (60) calendar days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency.

- a. The Grant Budget specifies a Grantee Match Requirement and the final grant disbursement reconciliation report shall detail all Grantee expenditures recorded to meet this requirement.
 - i. No Grantee expenditure shall be recorded and reported toward meeting a Grantee Match Requirement of more than one grant agreement with the State of Tennessee.
 - ii. The final grant disbursement reconciliation report shall specifically detail the exact amount of any Grantee failure to meet a Match Requirement, and the maximum total amount reimbursable by the Grantor State Agency pursuant to this Grant Agreement, as detailed by the Grant Budget column "Grant Agreement," shall be reduced by the amount that the Grantee failed to contribute to the Total Project as budgeted.
- b. If total disbursements by the Grantor State Agency pursuant to this Grant Agreement exceed the Maximum Liability, the Grantee shall refund the difference to the Grantor State Agency. The Grantee shall submit the refund with the final grant disbursement reconciliation report.
- c. The Grantor State Agency shall not be responsible for the payment of any invoice submitted after the grant disbursement reconciliation report. The Grantor State Agency will not deem any Grantee costs submitted for reimbursement after the grant disbursement reconciliation report to be allowable and reimbursable by the Grantor State Agency.
- d. The Grantee's failure to provide a final grant disbursement reconciliation report as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Agreement, and the Grantee shall be required to refund any and all payments by the Grantor State Agency pursuant to this Grant Agreement.
- e. The Grantee must close out its accounting records at the end of the Term in such a way that reimbursable expenditures and revenue collections are not carried forward.

D. STANDARD TERMS AND CONDITIONS

Do not add terms and conditions to section D. Any additional, necessary terms and conditions may be added to the section E, Special Terms and Conditions.

Bilateral Termination for Convenience

Increase the thirty (30) calendar days notice requirement as appropriate.

Option: Unilateral Termination for Convenience

Add the following section as appropriate.

D.#. Unilateral Termination for Convenience. The Grantor State Agency may terminate this Grant Agreement without cause for any reason. The Grantor State Agency shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the Grantor State Agency be liable to the Grantee for compensation for any service that has not been rendered. The final decision as to the amount for which the Grantor State Agency is liable shall be determined by the Grantor State Agency

Procurement

Replace the section with the following if Grantor State Agency head approval is required for non-competitive procurements under the Grant Agreement.

D.#. Procurement. If other terms of this Grant Agreement allow reimbursement for the cost of goods, materials, supplies, equipment, motor vehicles, or contracted services, such procurements shall be made consistent with Central Procurement Office rules, policies and procedures or if the Grantee is the University of Tennessee or the Board of Regents, consistent with their procurement policies and procedures.

E. SPECIAL TERMS AND CONDITIONS

Add any other terms as agreed to by the parties. Should any of these special terms and conditions conflict with any other terms and condition of this Grant Agreement, the special terms and conditions shall be subordinate to the Grant Agreement's other terms and conditions.

SIGNATURES

By signing or approving this Grant Agreement, the Grantor State Agency head assures and affirms that:

- There is a balance in the appropriation from which obligations under the agreement are required to be paid that is not already encumbered to pay other obligations;
- The Scope is clear, correct, and sufficiently detailed to ensure Grantee accountability and results.

Draft the Grant Agreement so that the signature section immediately follows the previous section text separated by only one blank line. Do not insert an arbitrary page break prior to the signature section.

GRANT BUDGET

All Grant Budgets must be type-written and mathematically correct in every aspect. Each Grant Budget page must be numbered consecutively.

The Grant Agreement column total must equal the Maximum Liability of the Grant Agreement.

Line-Item funding must comply with the Expense Object Line-Item Category Definitions provided by F&A Accounts Policy 03, Appendix A (which is posted on the Internet at:

<http://www.state.tn.us/finance/act/documents/policy3.pdf>). Budget line-items and the definitions above have legal, audit, and federal funding implications, and Grantor State Agency staff are solely responsible for whether appropriate line-items are funded in accordance with the scope of service and the definitions set out by F&A Accounts Policy 03.

In line-items that will be funded, replace the zeros ("0.00") associated with each line-item as appropriate. If a line-item will not be funded, leave the associated, "0.00" dollar amount.

Grant Budget Line-Item Detail.

These instructions do not preclude adding Line-Item Detail (and associated requirements) for other line-items, provided that the additional detail is clear and mathematically correct.

Delete the entire Grant Budget Line-Item Detail page if none of the following five line-items, which requires detail, is funded: Professional Fee, Grant and Award; Interest; Depreciation; Other Non-Personnel; Capital Purchase.

For each line-item requiring detail that is funded by the budget, complete the appropriate line-item detail box.

Delete the line-item detail box for each of the line-items that are not funded.

Do not draft the Grant Budget Line-Item Detail to describe a line-item only as "contracts," "contracted services," "other," "professional services," or "miscellaneous."

Multiple Grant Budget Periods.

If a multi-year Grant Agreement is to be written such that funding is restricted on an annual basis, this restriction must be reflected in the Grant Budget by means of repeated use of the model grant budget pages, numbered consecutively, detailing funding information for consecutive period of applicability. If a grant budget attachment includes multiple pages respectively applicable to consecutive periods of applicability, a "roll-up" budget page totaling all lines for all periods is not required. However, the sum of all totals must agree with the Grant Agreement Maximum Liability and any other relevant provisions of this Grant Agreement.

Option: Grant Budget Grantee Match Requirement

Replace the Grant Budget table with the table on the following page if a grantee match is required.

**INTERAGENCY AGREEMENT – GRANT
MODEL**

CLEAN VERSION

INTERAGENCY AGREEMENT – GRANT MODEL

This model provides the format and content for drafting a cost-reimbursement grant agreement between (1) two Tennessee state agencies, neither of which has the separate legal capacity to contract or sue and be sued; (2) a Tennessee state agency and a member of the University of Tennessee or Board of Regents educational systems. All agreements must comply with the requirements of the Central Procurement Office’s Grant and Subrecipient Monitoring Policy (Policy Number 2013-007) and the U.S. OMB’s Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, as applicable. Please refer to Department of Finance and Administration – Policy 18 “Interunit Journals” for additional information, as applicable.

Grant administrators should complete text fields and follow, replace, or otherwise address red instructional text (e.g., *State Agency Name*, *amount*, *will/will not*) as indicated with appropriate font and color. The standard IG Model begins on the following page. Additional IG instructions, considerations, and options follow the standard IG model.

**GRANT AGREEMENT
BETWEEN THE STATE OF TENNESSEE,
GRANTOR STATE AGENCY NAME
AND
GRANTEE STATE AGENCY NAME**

This Grant Agreement, by and between the State of Tennessee, [Insert Name of State Agency] (the "Grantor State Agency"), and [Insert Name of State Agency] (the "Grantee"), is for the provision of **Scope of Service Caption**, as further defined in the "SCOPE OF SERVICES AND DELIVERABLES."

A. SCOPE OF SERVICES AND DELIVERABLES:

- A.1. The Grantee shall provide the scope of services and deliverables ("Scope") as required, described, and detailed in this Grant Agreement.
- A.#. **Specify the services and deliverables that the Grantee must provide as well as the technical specifications and delivery requirements that must be met (include sufficient detail to ensure accountability and definitive results). Do NOT include payment terms in the Scope of Service.**

B. TERM OF AGREEMENT:

This Grant Agreement shall be effective on **DATE** ("Effective Date") and extend for a period of **number (#) months** after the Effective Date ("Term"). The Grantor State Agency shall have no obligation to the Grantee for fulfillment of the Scope outside the Term.

C. PAYMENT TERMS AND CONDITIONS:

- C.1. **Maximum Liability.** In no event shall the Maximum Liability of the Grantor State Agency under this Grant Agreement exceed **Written Dollar Amount (\$Number)** ("Maximum Liability"). The Grant Budget, attached and incorporated as Attachment **Reference**, is the maximum amount due the Grantee under this Grant Agreement. The Grant Budget line-items include, but are not limited to, all applicable taxes, fees, overhead, and all other direct and indirect costs incurred or to be incurred by the Grantee.
- C.2. **Compensation Firm.** The Maximum Liability of the Grantor State Agency is not subject to escalation for any reason unless amended. The Grant Budget amounts are firm for the duration of the Grant Agreement and are not subject to escalation for any reason unless amended, except as provided in section C.5.
- C.3. **Payment Methodology.** The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the Maximum Liability established in section C.1. Upon progress toward the completion of the Scope, as described in section A of this Grant Agreement, the Grantee shall submit invoices prior to any reimbursement of allowable costs.
- C.4. **Travel Compensation.** Reimbursement to the Grantee for travel, meals, or lodging shall be subject to amounts and limitations specified in the "State Comprehensive Travel Regulations," as they are amended from time to time, and shall be contingent upon and limited by the Grant Budget funding for reimbursement.
- C.5. **Budget Line-items.** Expenditures, reimbursements, and payments under this Grant Agreement shall adhere to the Grant Budget. The Grantee may vary from a Grant Budget line-item amount by up to **NUMBER** percent (**#%**) of the line-item amount, provided that any increase is off-set by an equal reduction of other line-item amounts such that the net result of variances shall not increase the total Grant Agreement amount detailed by the Grant Budget. Any increase in the Grant Budget, grand total amounts shall require an amendment of this Grant Agreement.

- C.6. **Disbursement Reconciliation and Close Out.** The Grantee shall submit any final invoice and a grant disbursement reconciliation report within sixty (60) days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency.
- a. If total disbursements by the Grantor State Agency pursuant to this Grant Agreement exceed the amounts permitted by section C, payment terms and conditions of this Grant Agreement, the Grantee shall refund the difference to the Grantor State Agency. The Grantee shall submit the refund with the final grant disbursement reconciliation report.
 - b. The Grantor State Agency shall not be responsible for the payment of any invoice submitted after the grant disbursement reconciliation report. The Grantor State Agency will not deem any Grantee costs submitted for reimbursement after the grant disbursement reconciliation report to be allowable and reimbursable by the Grantor State Agency, and such invoices will not be paid.
 - c. The Grantee must close out its accounting records at the end of the Term in such a way that reimbursable expenditures and revenue collections are not carried forward.
- C.7. **Indirect Cost.** Should the Grantee request reimbursement for indirect cost, the Grantee must submit to the Grantor State Agency a copy of the indirect cost rate approved by the cognizant federal agency or the cognizant state agency, as applicable. The Grantee will be reimbursed for indirect cost in accordance with the approved indirect cost rate and amounts and limitations specified in the attached Grant Budget. Once the Grantee makes an election and treats a given cost as direct or indirect, it must apply that treatment consistently and may not change during the Term. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency or the cognizant state agency, as applicable. If the indirect cost rate is provisional during the Term, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the Grantor State Agency, and subject to the availability of funds the Grantor State Agency agrees to remit any underpayment to the Grantee.
- C.8. **Cost Allocation.** If any part of the costs to be reimbursed under this Grant Agreement are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Department of Finance and Administration Policy Statement 03 or any amendments or revisions made to this policy statement during the Term.

D. STANDARD TERMS AND CONDITIONS:

- D.1. **Required Approvals.** The Grantor State Agency is not bound by this Grant Agreement until it is signed by the agency head, or his or her designee, of the state agencies that are parties to this Grant Agreement (depending upon the specifics of this Grant Agreement, these officials may include, but are not limited to, the Commissioner of Finance and Administration and the Commissioner of Human Resources).
- D.2. **Modification and Amendment.** This Grant Agreement may be modified only by a written amendment signed by all parties and approved by the officials who approved the original Grant Agreement and, depending upon the specifics of the Grant Agreement as amended, any additional officials required by Tennessee laws and regulations (the officials may include, but are not limited to, the Commissioner of Finance and Administration and the Commissioner of Human Resources).
- D.3. **Bilateral Termination for Convenience.** This Grant Agreement may be terminated by either party by giving written notice to the other, at least thirty (30) days before the effective date of termination. Should either party exercise this provision, the Grantee shall be entitled to reimbursement for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the Grantor State Agency be liable to the Grantee for any

service which has not been rendered. The final decision as to the amount, for which the Grantor State Agency is liable, shall be determined by the Grantor State Agency.

- D.4. Communications and Contacts. All instructions, notices, consents, demands, or other communications required or contemplated by this Grant Agreement shall be in writing and shall be made by certified, first class mail, return receipt requested and postage prepaid, by overnight courier service with an asset tracking system, or by email or facsimile transmission with recipient confirmation. All communications, regardless of method of transmission, shall be addressed to the respective party as set out below:

A change to the above contact information requires written notice to the person designated by the other party to receive notice.

All instructions, notices, consents, demands, or other communications shall be considered effectively given upon receipt or recipient confirmation as may be required.

- D.5. Subject to Funds Availability. This Grant Agreement is subject to the appropriation and availability of State or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the Grantor State Agency reserves the right to terminate this Grant Agreement upon written notice to the Grantee. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Agreement. In the event of a Grantor State Agency termination, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date.
- D.6. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the Grantor State Agency as requested.
- D.7. Procurement. If the other terms of this Grant Agreement allow reimbursement for the cost of goods, materials, supplies, equipment, motor vehicles, or contracted services, the procurement of these goods or services by the Grantee shall be competitive where practicable. For any procurement for which reimbursement is paid under this Grant Agreement, the Grantee shall document the competitive procurement method. In each instance where it is determined that use of a competitive procurement method is not practicable, supporting documentation shall include a written justification for the decision and for the use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.318—200.326 when procuring property or services under a federal award.
- D.8. Completeness. This Grant Agreement is complete and contains the entire understanding between the parties relating to the subject matter contained in this Grant Agreement, including all

the terms and conditions agreed to by the parties. This Grant Agreement supersedes any and all prior understandings, representations, negotiations, and agreements between the parties, whether written or oral.

D.9. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Agreement.

E. SPECIAL TERMS AND CONDITIONS:

E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Agreement, the special terms and conditions shall be subordinate to the Grant Agreement's other terms and conditions.

PREAMBLE

Add additional information only if necessary.

A. SCOPE OF SERVICES AND DELIVERABLES

It is the responsibility of the Grantor State Agency to adequately draft the Scope. Oversight examiners will rely on the Grantor State Agency head's signature on the Grant Agreement as certification and assurance that the Scope is clear, correct, and sufficiently detailed to ensure Grantee accountability and results.

Do not include payment terms in the Scope.

Draft the Scope to clearly, specifically, and definitively detail duties, responsibilities, and associated performance requirements and describe, in detail, the service and deliverable requirements and all related specifications.

Option: Grant Proposal Attachment

It is not acceptable to attach the associated grant proposal to the Grant Agreement in lieu of a properly drafted scope of services. Proposals for funding are not adequately definitive to stand alone as the description of Grantee duties and responsibilities or performance requirements.

To attach an associated grant proposal to the Agreement in support of a properly drafted Scope, use the following optional section.

A.#. Incorporation of Additional Documents. Each of the following documents is included as a part of this Grant Agreement by reference or attachment. In the event of a discrepancy or ambiguity regarding the Grantee's duties, responsibilities, and performance, these items shall govern in order of precedence below:

- a. this Grant Agreement document with any attachments or exhibits (excluding the items listed at subsections b. and c. below);
- b. the State grant proposal solicitation as may be amended, if any; and

- c. the Grantee's proposal (Attachment **Reference**) incorporated to elaborate supplementary scope of services specifications.

Option: Federal Award Identification Worksheet

If the Grantee is a subrecipient and the Grant Agreement involves any federal funds, the Grantor State Agency must complete the federal award identification worksheet on the following page and reference the worksheet by adding the following section. Include the worksheet as an attachment to the Grant Agreement. If some federal award identification worksheet information is not available, provide as much information as is available. Grantor State Agencies should update the worksheet no more than once every six (6) months to reflect any changes. Grantor State Agencies should also send the updated worksheet to the Grantee and upload a copy into Edison.

A.#. Incorporation of Federal Award Identification Worksheet. The federal award identification worksheet, which appears as Attachment #, is incorporated in this Grant Agreement.

Subrecipient's DUNS number

B. TERM OF AGREEMENT

Grant Administrators should obtain the Grantee's signature before submitting the Grant Agreement for Grantor State Agency signatures or approvals. The Grant Agreement should be drafted with an appropriate, definitive, and complete Term.

Option: Term Renewal or Extension

To reserve the right to extend the Term beyond the original period, the Grant Administrator should change the designation of the paragraph under B. to B.1. and add one or both of the following sections, revising the length of the extension periods as appropriate.

B.#. Renewal Options. This Grant Agreement may be renewed upon satisfactory completion of the Term. The Grantor State Agency reserves the right to execute up to **number (#)** renewal options under the same terms and conditions for a period not to exceed twelve (12) months each by the Grantor State Agency, at the Grantor State Agency's sole option. In no event, however, shall the maximum Term, including all renewals or extensions, exceed a total of sixty (60) months.

B.#. Term Extension. The Grantor State Agency may extend the Term an additional period of time, not to exceed one hundred-eighty (180) days beyond the expiration date of this Grant Agreement, under the same terms and conditions. In no event, however, shall the maximum Term, including all extensions or renewals, exceed a total of sixty (60) months.

C. PAYMENT TERMS AND CONDITIONS

Grant Administrators may revise payment terms and conditions as agreed to by the parties.

Payment Methodology

Option: Partial Advance Payment

To effect a partial advance payment, replace the section with the following.

C.3. Payment Methodology – Partial Advance Payment. The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the Maximum Liability established in Section C.1. The amount of **Written Dollar Amount (\$Number)** shall be paid to the Grantee in advance upon approval of this Grant Agreement. Upon progress toward the completion of the work, as described in Section A of this Grant Agreement, the Grantee shall submit invoices for payment prior to any additional reimbursement of allowable costs. The total of all payments to the Grantee shall not exceed the Maximum Liability of this Grant Agreement.

Option: Periodic Advance Payment

To effect periodic advance payments, (1) Replace the section with the following.

C.3. Payment Methodology – Periodic Advance Payment. The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the Maximum Liability established in section C.1. The amount of **Written Dollar Amount (\$Number)** shall be paid to the Grantee in advance upon approval of this Grant Agreement and on **Dates on which the Grantor State Agency will make advance payments.** The total of said payments shall not exceed the Maximum Liability of this Grant Agreement.

(2) Replace the first paragraph of the Disbursement Reconciliation and Close Out section with the following (which may be further revised to require more frequent grant disbursement reconciliation reports).

C.#. Disbursement Reconciliation and Close Out. The Grantee shall submit a grant disbursement reconciliation report within sixty (60) calendar days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency (and include, as applicable, documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations").

Option: Total Advance Payment

To effect a total advance payment: (1) Replace the section with the following.

C.3. Payment Methodology – Total Advance Payment. The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the Maximum Liability established in section C.1. Payment to the Grantee shall be a lump sum made in advance upon approval of this Grant Agreement.

(2) Replace the first paragraph of the Disbursement Reconciliation and Close Out section with the following.

C.#. Disbursement Reconciliation and Close Out. The Grantee shall submit a grant disbursement reconciliation report within sixty (60) calendar days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency (and include, as applicable, documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations").

Budget Line-Items

Option 1: Revise line-item variance amount as appropriate and up to the maximum of twenty percent (20%). Budget line-item variation of more than the specified percentage will require an amendment. The Budget Line-Items provision should not be amended after Grant Agreement approval.

Option 2: If the Grantee is allowed to request budget line-item variance exceeding twenty percent (20%) per line item, replace the Section with the following:

C.5. Grant Budget and Revisions to Grant Budget Line-Items. Expenditures, reimbursements, and payments under this Grant Agreement shall adhere to the Grant Budget.

- a. The Grantee may vary from a Grant Budget line-item amount by up to twenty percent (20%) of the line-item amount, provided that any increase is off-set by an equal reduction of other line-item amounts. The net result of any changes to Grant Budget line-item amounts shall not result in funding for a line-item that was previously funded at zero dollars (\$0.00) or increase the total Grant Agreement amount detailed by the Grant Budget.
- b. The Grantee may request in writing Grant Budget line-item revisions exceeding the limitation set forth in section C.6.a., above, giving full details supporting the Grantee's request, provided that such revisions do not result in funding for a line-item that was previously funded at zero dollars (\$0.00) and do not increase the total Grant Agreement amount. Grant Budget line-item revisions may not be made without prior, written approval of the State in which the terms of the approved revisions are detailed. Any approval of a revision to a Grant Budget line-item greater than twenty percent (20%) shall be superseded by a subsequent revision of the Grant Budget by Grant Agreement amendment.
- c. Any increase in the total Grant Agreement amount shall require a Grant Agreement Amendment.

Option 3: No Line-Item Variance

Replace the section with the following alternative as appropriate.

- C.5. **Budget Line-items.** Expenditures, reimbursements, and payments under this Grant Agreement shall adhere to the Grant Budget. Reimbursable expenditures may NOT vary from the Grant Budget line-item amounts.

Disbursement Reconciliation and Close Out

Revise the first paragraph of the section, as necessary, to require additional grant disbursement reconciliation reports.

Option: Grantee Match Requirement

If the Grant Budget details a grantee match requirement (in which the maximum total amount reimbursable by the Grantor State Agency under the Grant Agreement will be reduced by the amount of any Grantee failure to meet the match requirement), replace the standard Disbursement Reconciliation and Close Out term with the following and revise the maximum number of days to no less than thirty (30).

- C.#. **Disbursement Reconciliation and Close Out.** The Grantee shall submit any final invoice and a grant disbursement reconciliation report within sixty (60) calendar days of the Grant Agreement end date and in form and substance acceptable to the Grantor State Agency.
- a. The Grant Budget specifies a Grantee Match Requirement and the final grant disbursement reconciliation report shall detail all Grantee expenditures recorded to meet this requirement.
 - i. No Grantee expenditure shall be recorded and reported toward meeting a Grantee Match Requirement of more than one grant agreement with the State of Tennessee.
 - ii. The final grant disbursement reconciliation report shall specifically detail the exact amount of any Grantee failure to meet a Match Requirement, and the maximum total amount reimbursable by the Grantor State Agency pursuant to this Grant Agreement, as detailed by the Grant Budget column "Grant Agreement," shall be reduced by the amount that the Grantee failed to contribute to the Total Project as budgeted.
 - b. If total disbursements by the Grantor State Agency pursuant to this Grant Agreement exceed the Maximum Liability, the Grantee shall refund the difference to the Grantor State Agency. The Grantee shall submit the refund with the final grant disbursement reconciliation report.
 - c. The Grantor State Agency shall not be responsible for the payment of any invoice submitted after the grant disbursement reconciliation report. The Grantor State Agency will not deem any Grantee costs submitted for reimbursement after the grant disbursement reconciliation report to be allowable and reimbursable by the Grantor State Agency.
 - d. The Grantee's failure to provide a final grant disbursement reconciliation report as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Agreement, and the Grantee shall be required to refund any and all payments by the Grantor State Agency pursuant to this Grant Agreement.
 - e. The Grantee must close out its accounting records at the end of the Term in such a way that reimbursable expenditures and revenue collections are not carried forward.

D. STANDARD TERMS AND CONDITIONS

Do not add terms and conditions to section D. Any additional, necessary terms and conditions may be added to the section E, Special Terms and Conditions.

Bilateral Termination for Convenience

Increase the thirty (30) calendar days notice requirement as appropriate.

Option: Unilateral Termination for Convenience

Add the following section as appropriate.

D.#. Unilateral Termination for Convenience. The Grantor State Agency may terminate this Grant Agreement without cause for any reason. The Grantor State Agency shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the Grantor State Agency be liable to the Grantee for compensation for any service that has not been rendered. The final decision as to the amount for which the Grantor State Agency is liable shall be determined by the Grantor State Agency

Procurement

Replace the section with the following if Grantor State Agency head approval is required for non-competitive procurements under the Grant Agreement.

D.#. Procurement. If other terms of this Grant Agreement allow reimbursement for the cost of goods, materials, supplies, equipment, motor vehicles, or contracted services, such procurements shall be made consistent with Central Procurement Office rules, policies and procedures or if the Grantee is the University of Tennessee or the Board of Regents, consistent with their procurement policies and procedures..

E. SPECIAL TERMS AND CONDITIONS

Add any other terms as agreed to by the parties. Should any of these special terms and conditions conflict with any other terms and condition of this Grant Agreement, the special terms and conditions shall be subordinate to the Grant Agreement's other terms and conditions.

SIGNATURES

By signing or approving this Grant Agreement, the Grantor State Agency head assures and affirms that:

- There is a balance in the appropriation from which obligations under the agreement are required to be paid that is not already encumbered to pay other obligations;
- The Scope is clear, correct, and sufficiently detailed to ensure Grantee accountability and results.

Draft the Grant Agreement so that the signature section immediately follows the previous section text separated by only one blank line. Do not insert an arbitrary page break prior to the signature section.

GRANT BUDGET

All Grant Budgets must be type-written and mathematically correct in every aspect. Each Grant Budget page must be numbered consecutively.

The Grant Agreement column total must equal the Maximum Liability of the Grant Agreement.

Line-Item funding must comply with the Expense Object Line-Item Category Definitions provided by F&A Accounts Policy 03, Appendix A (which is posted on the Internet at:

<http://www.state.tn.us/finance/act/documents/policy3.pdf>). Budget line-items and the definitions above have

legal, audit, and federal funding implications, and Grantor State Agency staff are solely responsible for whether appropriate line-items are funded in accordance with the scope of service and the definitions set out by F&A Accounts Policy 03.

In line-items that will be funded, replace the zeros ("0.00") associated with each line-item as appropriate. If a line-item will not be funded, leave the associated, "0.00" dollar amount.

Grant Budget Line-Item Detail.

These instructions do not preclude adding Line-Item Detail (and associated requirements) for other line-items, provided that the additional detail is clear and mathematically correct.

Delete the entire Grant Budget Line-Item Detail page if none of the following five line-items, which requires detail, is funded: Professional Fee, Grant and Award; Interest; Depreciation; Other Non-Personnel; Capital Purchase.

For each line-item requiring detail that is funded by the budget, complete the appropriate line-item detail box.

Delete the line-item detail box for each of the line-items that are not funded.

Do not draft the Grant Budget Line-Item Detail to describe a line-item only as "contracts," "contracted services," "other," "professional services," or "miscellaneous."

Multiple Grant Budget Periods.

If a multi-year Grant Agreement is to be written such that funding is restricted on an annual basis, this restriction must be reflected in the Grant Budget by means of repeated use of the model grant budget pages, numbered consecutively, detailing funding information for consecutive period of applicability. If a grant budget attachment includes multiple pages respectively applicable to consecutive periods of applicability, a "roll-up" budget page totaling all lines for all periods is not required. However, the sum of all totals must agree with the Grant Agreement Maximum Liability and any other relevant provisions of this Grant Agreement.

Option: Grant Budget Grantee Match Requirement

Replace the Grant Budget table with the table on the following page if a grantee match is required.
