

TDMHSAS OLDER ADULT PROGRAM

Serving Tennesseans ages 50 and older

The TDMHSAS Older Adult Program provides essential mental health care management services to people ages 50 and older who do not financially qualify for Medicaid (TennCare) or the Behavioral Health Safety Net.

CARE MANAGEMENT

Services include:

- Outreach
- Screenings
- Linkage to in-home therapy and various other supportive care management services
- Referral to community resources
- Community mental health education promoting healthy aging

ELIGIBILITY REQUIREMENTS

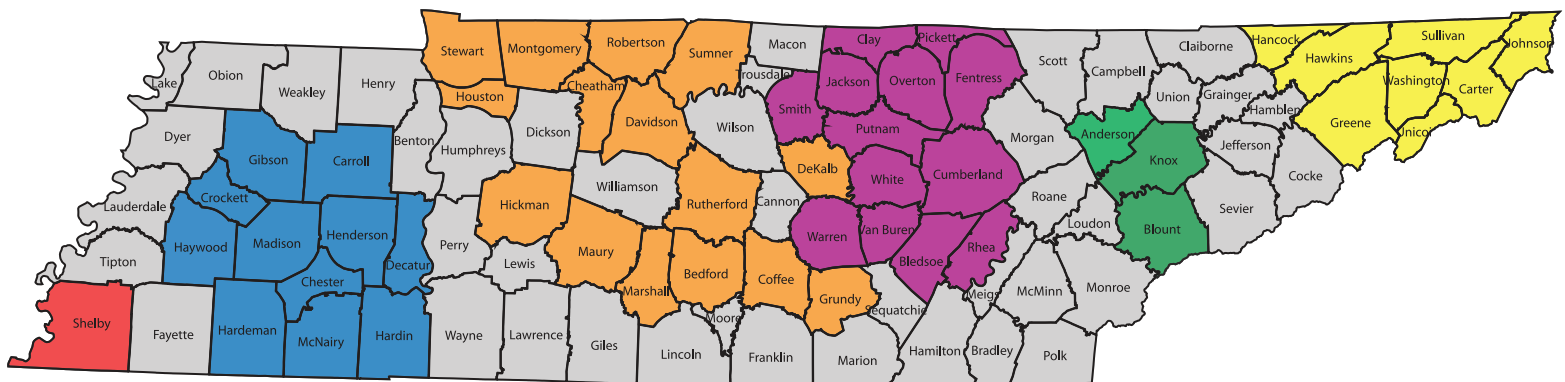

- Primary qualifying mental health diagnosis
- 50 Years of age or older
- Tennessee Resident
- No other way of obtaining behavioral health services
- Participants are private pay or insured through Medicare and not eligible for care Management under TennCare (Medicaid) or Behavioral Health Safety Net

IMPORTANT FACTS

6 Providers across the state participate in the Older Adult Program.

The Older Adult Program is **not insurance or part of TennCare (Medicaid)**. It is supplemental to Medicare or private pay.
